Developing students of character, who are literate and numerate, is our main priority

"Positive thinking is powerful thinking. If you want happiness, fulfillment, success and inner peace, start thinking you have the power to achieve those things. Focus on the bright side of life and expect positive results. "

Student Break Reminders

Parents, guardians: please take a moment to share the following reminders with your student regarding breaks:

- students should not be congregating by sitting in hallways or alcoves (hall duty teachers and administrators will be asking them to move)
- students should try to remain at least 6 feet apart while in the hallways

**We recognize that strong public health measures are already in place with mask wearing and hand disinfection procedures which are demonstrated to reduce transmission of the virus, but these added reminders will help keep everyone more safe.
