Mid-term marks outside of York Region schools, e-learning or continuing education

- All mid-term marks for York Region education will be automatically entered into Trillium for transmission to OCAS and OUAC
- Mid-term marks for another school board **can be** manually entered into OUAC in consultation with a guidance counsellor
- Mid-term marks from a private school **cannot** be entered into OCAS or OUAC by Bur Oak. The private school will need to notify the application centres of the mid-term mark. Once the course is complete and a final grade is assigned, this course can then be entered into Trillium to be included on the student transcript being maintained by Bur Oak.
