A MESSAGE FROM THE ADMINISTRATIVE TEAM

Spring is officially here! We hope that all our students and families had a relaxing and enjoyable March Break. The arrival of warmer weather affords students the opportunity to be outside and active in their community. It is wonderful to see the students connect with new and old friends at recess as they engage in fun, safe activities. This physical activity holds many health benefits for students. We have purchased new outdoor play equipment to help students stay active during recess. We continue to encourage students and families to walk to school as another way to get regular exercise and to be eco-friendly.

The three months leading up to the end of June is a busy time for students. There are many exciting activities happening at the school such as Fun Fair, Grade 8 Graduation, Grade 8 trip to Brock University, Track and Field meets, Welcome to Kindergarten event, and Eco-School activities. The teachers are working hard to provide programs which support students' consolidation of skills and knowledge necessary for their grade level. This level of focus on instruction is especially applicable to the Grade 3 and Grade 6 students as they will be participating in the EQAO test during late May and early June.

As we organize for next year, our staff will make every effort to place students in the best learning environment for each child to be successful. We take into account Ministry and Board guidelines, individual needs, academic achievement, emotional and social development, behaviours, gender balance, English Language Learner and Special Education needs, and work habits. Teachers have the benefit of knowing the children they are currently working with and we rely on their professional decisions. We appreciate that parents/guardians also have valuable information to share with us. While we do not accept requests for specific teachers, as teaching assignments may change between now and September, if you have information or suggestions which will assist us in making an appropriate placement, please write a brief note to the teacher and the Principal by May 19th, 2017.

We welcome your input with regard to the learning style or classroom structure which you feel would be the most appropriate for your child's success. While we recognize that people may wish for their children to avoid a split grade, this is not always possible. Split grade placements are inevitable in every public school setting, and our teaching staff ensures that students achieve grade specific expectations within every placement. We do try, when possible, to avoid placing students in a split grade setting for two consecutive years. Requests will be accommodated only where the placement will enhance student learning. As always, the final decision for the placement of all students at Castlemore P.S. rests with the Principal, in consultation with teaching staff and parents. We ask that you have confidence in the professional judgment of your child's teacher and the school administration in making the best possible choice for your child next year.

Lastly, we would like to share with you some news about staffing changes in the office. Judy Ng will be moving to Aldergrove PS as she has accepted an EOAA position at that school. We cannot thank her enough for all she has done to help students, families, and staff members here at Castlemore PS. We will all miss her enormously. We wish her well as she begins her role! We are looking forward to welcoming a new member to the office staff in the near future.

Gwen Emmerson and Thang Tran

PROVINCIAL ASSESSMENT FOR GRADE 3 AND 6 STUDENTS

We are preparing for our provincial testing which will take place for Grade 3 and 6 students between May 23rd and June 5th. A letter that will contain all the pertinent information will be sent home with those students. We ask parents to avoid making appointments for your children during this time to ensure their attendance at school. Teachers have been involved in preparation with their classes so that all students are as comfortable as possible with the process. We stress the importance of these assessments, however, we are sure to explain to our students that this is only one assessment they will participate in this year. Parents can assist with the preparation just like they would with any other school assignment or homework. Gr. 3 and Gr. 6 EQAO results do not affect report card marks.

YRDSB Policies and Procedures

Policies and procedures govern the operation of the Board and our school. To ensure they remain current, the Board reviews policies and procedures on a regular cycle. Seeking feedback from staff and community members, including parents/guardians, is an important part of the review process.

All policies available for comment are sent to school council chairs, and are posted on the [Board website](#) along with information about how to provide feedback. The policies and proposals currently available for comment include:

The following policies with investigative components:

- Professional Misconduct and Progressive Discipline
- Respectful Workplaces and Learning Environments
- Supporting Community Concerns

A proposal for next steps on the process for addressing concerns raised by students, staff and community members.

April is Autism Awareness Month April 2nd - World Autism Awareness Day

At Castlemore, we celebrate by wearing blue and by raising a flag. Around the world, many famous buildings, choose to "light it up blue" or raise a flag to spread awareness and celebrate Autism, specifically early diagnosis, early intervention, acceptance, and support. We know so many people in our school who have Autism and we celebrate their strengths and achievements every day. Our Spirit Committee did an excellent job sharing information about Autism, and encouraging us to wear blue on April 3rd! Visit www.autismspeaks.ca to learn more about Autism.

Bikes and Skateboards at School

Students and parents are reminded that while we do encourage all students to walk, bike, skateboard or roller-blade to school, we have some safety rules regarding their use.

Please remember the following:

1. Students are to wear the proper safety gear including: helmet, wrist and knee guards, etc.
2. Students are to either lock their bike to the fence beside the school parking lot area or on the bike rack located on the northeast corner of our school. Students can carry their skateboard and/or roller-blades into the school and lock them in their locker.
3. Once on school property, students must dismount from their bike or walk and carry their board or rollerblades. For the safety of all, they are not allowed to use these items on the school property.

LOST AND FOUND

Parents are asked to check the Lost & Found items to see if there are any items belonging to their children. These items have been placed on tables near the school library. There are a number of jackets, snow pants, sweaters, gloves, and water bottles. Please note that all remaining items will be sent to a local charity mid-April.

YRDSB SURVEY FOR PARENTS/GUARDIANS

We will be inviting parents/guardians to participate in a survey May 1-19, 2017. This survey provides an important opportunity for parent/guardian voice. Results will be used to guide planning to support student achievement and well-being.

You may complete the survey online or on paper. The online survey will be available in English. Paper surveys will be available from the school office in English, Simplified Chinese, Traditional Chinese, Farsi, Gujarati, Hebrew, Korean, Punjabi, Russian, Sri Lankan Tamil, Urdu and Vietnamese.

We value your input and encourage you to complete the survey. The information you provide will be anonymous, considered confidential and kept in strict accordance with all relevant legislation.

Information about how to access the online survey will be sent home with students at the end of April. Please contact the school if you have any questions.

Parking Lot and Kiss n' Ride Safety

Student safety is a priority at Castlemore PS. In an effort to maintain student safety in the parking lot, we are asking students and families to use the designated crosswalk. Crossing at points other than the crosswalk may not permit the same level of visibility that motorists require to safely maneuver their vehicle through the parking lot. Please use the sidewalk when walk around the parking lot area.

The Kiss n' Ride continues to be a busy area during morning drop-off and afternoon pick-up. To keep this area safe for students and families, please be mindful of the following points:

- ☞ If you need to exit your car, please find a safe and legal parking spot.
- ☞ If you are walking, please do not cross in the driving portion of the KISS and RIDE area. Please use the sidewalks and locations with crossing guards.
- ☞ Please pull up your car as far as possible to allow other drivers to use the Kiss and Ride area
- ☞ Students are to exit the vehicle on the side adjacent to the sidewalk
- ☞ Please use the outside exit lane following drop off
- ☞ Please drive carefully and watch for pedestrians
