

YRDSB has moved to School Cash Online for all school based accounting.
Our Board and its Schools have been working hard to implement a system that will work for everyone.

As such, we are asking that you
make School Cash Online your preferred method of payment
for School Events & Activities.

School Cash ONLINE is: Easy! - Quick! - Safe! - Secure!

Parents who participate, receive notification via email of activities for each child, and then are able to make secure online payments by Credit Card or Debit and receive a receipt immediately; give electronic permission for their son/daughter's participation; volunteer to assist with the activity; and send nothing back to school.

The registration process is easy and instructions are available in many languages.

The screenshot shows the top navigation bar of the School Cash Online website. On the left is the York Region District School Board logo. In the center is the text "York Region District School Board". On the right, there is a "Sign In" link, a shopping cart icon showing "0 items in cart" with a "Checkout" button, and a "Select Language" dropdown menu. Below the navigation bar is a main banner with the text "School Cash Online" and navigation links for "HOME", "ITEMS", "ABOUT US", and "SUPPORT". The banner features the headline "Paying for school items just got easier! Sign up to get started today." and a sub-section titled "What is School Cash Online?" with a "Learn more" link. Below this are two buttons: "Get Started Today" and "Sign Into Your Account". The background of the banner includes images of orange sneakers and a school backpack.
