WHAT DOES A CARING, SAFE AND INCLUSIVE SCHOOL...

...look like,

...feel like,

...sound like

....for students, staff and families?

A caring, safe, inclusive school looks like:

**A caring,
safe,
inclusive
school
feels like:**

A word cloud featuring various positive adjectives and phrases. The words are arranged in a roughly circular pattern, with 'Safe' and 'Happy' being the largest. Other words include 'Caring', 'Inclusive', 'Fun', 'Good', 'Cold', 'Friendly', 'Not-scared', 'Listening', 'Nice', 'Awesome', 'Happiness', and 'Not-hurt'. The colors range from dark blue to brown and red.

Safe Happy
Funny Not-hurt
Inclusive Caring Happiness
Fun Good Cold Friendly Nice
Not-scared Listening

A caring, safe, inclusive school sounds like:

A word cloud where the word "Quiet" is the largest and most prominent, written in a dark red, serif font. Surrounding it are several other words in various sizes and orientations, including "Laughter" (top), "Respectful" (top-left), "Listening" (left), "Fair" (left), "Loud" (left, vertical), "Appropriate-volume" (left, vertical), "Happy" (left, vertical), "Kind" (left, vertical), and "Kind" (bottom, vertical). The background is white with a red and grey decorative border at the bottom.
