

Apps Gone Free

Every day some iPad apps are offered for free to the public for a limited time. This is done to increase the popularity of an app in the hopes of generating future sales. Apps gone free is an iPad app that will alert you of each day's free offerings. Education apps are periodically offered for free through this service.

Tap Tap Kids / Genera Kids

Free Interactive Books

Tap Tap Kids (aka Genera Kids) offers many free interactive books for **primary** aged children. This company generates revenue through advertisements and in-app purchases such as games and puzzles.

Search “genera kids” in the App Store and download items that say “Free book for kids” after the title of the book. Once you download one book and open it, you will see download links for all of their other titles.

Here is a link to one of their titles, “The Three Little Pigs”
