Drama Department

Congratulations to our grade 12 drama students who have been selected to represent York Region in the Central Regional Drama Festival on March 23-24. They will be performing a play called "Brainstorm"

Feedback from the adjudicator: "This is a wonderfully inventive multi-media piece that showcased the student's bravery and vulnerability while also capturing so vividly what it's like to be a teenager in 2023. I found the interactive elements of the piece and the fact it featured the real lives of the students completely thrilling"

YRDSB Information

YRDSB Elementary and Secondary Virtual School in 2023-2024

The Ministry of Education (MoE) mandated for the 2022-2023 school year that school boards were to provide a virtual learning option for students. While we continue to await specific direction from the MoE, we plan to proceed with a virtual learning option as this continues to be in the best interests of our students, families and staff. This will also align us with the decisions of other boards. For the 2023-2024 school year, YRDSB will continue to offer Elementary Virtual School (EVS). For secondary students, we are currently assessing the viable options in how to best offer virtual learning, taking into account the projected enrolment.

Elementary Virtual School (EVS)

- Please note that due to limited enrolment, French Immersion programming will not be offered in EVS in 2023-2024.
- Families currently enrolled in EVS are being asked if they wish to remain enrolled next school year.
- Students currently attending in-person schools may contact their home school to request a transfer to the Elementary Virtual School for the entire 2023-2024 school year.

Secondary Virtual School (SVS)

- YRDSB is investigating virtual learning options for secondary students for the 2023-2024 school year.
- Please note, due to the limited number of students expected in SVS it is possible that the virtual school program may include more asynchronous classes and fewer synchronous offerings.
- Families who have students presently enrolled in SVS have been sent a survey, asking for their preference of learning model for next year (in-person or virtual) with a response deadline of March 6.
- At this time, students in in-person schools are currently unable to choose to transfer to the virtual school for the entire 2023-2024 school year. Details will be shared once a process regarding the transfer to SVS is finalized.
