YRDSB Information

In the Spring of 2023, YRDSB will be engaging students in Grades K-12 in the [Every Student Counts Survey](#).

From February 27, 2023 - March 10, 2023, parents or guardians of students in **Grades 4-12** who do not wish for their child to receive the survey will have the opportunity to opt them out. Families who do not wish for their child to receive the survey can opt them out by filling out this [form](#), or they can contact CCI Research by

phone **1-866-450-4907**.

Students in Grades K-3 will complete the survey at home with their parent or guardian. As such, families of students in Grades K-3 who do not wish for their child to fill out the survey do not need to opt-out. Families who do not want their child to fill out the survey can disregard the paper invitation, which will be considered a formal opt-out.

Families of students in Grades K-3 who require an accommodation (eg. paper survey in enlarged print) to complete the survey need to contact CCI Research by phone to make a request **1-866-450-4907**.

YRDSB Elementary and Secondary Virtual School in 2023-2024

The Ministry of Education (MoE) mandated for the 2022-2023 school year that school boards were to provide a virtual learning option for students. While we continue to await specific direction from the MoE, we plan to proceed with a virtual learning option as this continues to be in the best interests of our students, families and staff. This will also align us with the decisions of other boards. For the 2023-2024 school year, YRDSB will continue to offer Elementary Virtual School (EVS). For secondary students, we are currently assessing the viable options in how to best offer virtual learning, taking into account the projected enrolment.

Elementary Virtual School (EVS)

- Please note that due to limited enrolment, French Immersion programming will not be offered in EVS in 2023-2024.
- Families currently enrolled in EVS are being asked if they wish to remain enrolled next school year.
- Students currently attending in-person schools may contact their home school to request a transfer to the Elementary Virtual School for the entire 2023-2024 school year.

Secondary Virtual School (SVS)

- YRDSB is investigating virtual learning options for secondary students for the 2023-2024 school year.
- Please note, due to the limited number of students expected in SVS it is possible that the virtual school program may include more asynchronous classes and fewer synchronous offerings.
- Families who have students presently enrolled in SVS have been sent a survey, asking for their preference of learning model for next year (in-person or virtual) with a response deadline of March 6.
- At this time, students in in-person schools are currently unable to choose to transfer to the virtual school for the entire 2023-2024 school year. Details will be shared once a process regarding the transfer to SVS is finalized.
