Aurora 2C Elementary School

- Proposed to open September 2024
- Located at the corner of Hartwell Way and William Graham Drive
- Includes child care centre for toddler and preschool
- Principal will be appointed in early 2024
- School bell times will be established in spring 2024
- New School opening meeting in early 2024

Current Boundaries and Holding

Establishing a New School Boundary

- Boundaries are created to ensure the long term sustainable enrolment of a school
 - Can follow major features such as:
 - roads, railways (Hard dividers)
 - rivers, green spaces, woodlots, etc. (Natural dividers)
 - land parcels
 - Support walkable school community boundaries (non-transportation zone)
 - Incorporate future residential development
 - Based on a review of student yields in the surrounding areas
- 

Aurora 2C Elementary School Boundary

Produced by Planning and Property Development Services (C) Copyright Base Map Data from Regional Municipality of York 2020

Aurora 2C Elementary School

- Students are currently attending the following schools:
 - Rick Hansen PS (130 students)
 - Aurora Grove PS (316 students)
