Bill Crothers Secondary School is a Regional School. An application process applies. There is no school attendance boundary.

Any student residing in York Region is eligible to apply. Depending on space and availability, students from outside of the region may also apply.

Students will apply through the online application process.

Submit all required forms and documentation with a cheque for \$30.00, by the due date stated each year.

Notification of acceptance will be sent out by email mid January. Upon acceptance, students and parents will be required to attend a course selection evening, complete a commitment form and order a school uniform.

Important Information About Transportation to Bill Crothers Secondary School

As per YRDSB policy, the healthy active living and sport program at Bill Crothers Secondary School is optional. Students are not entitled to transportation provided by the York Region District School Board.
