# Current 2021-2022 Holding

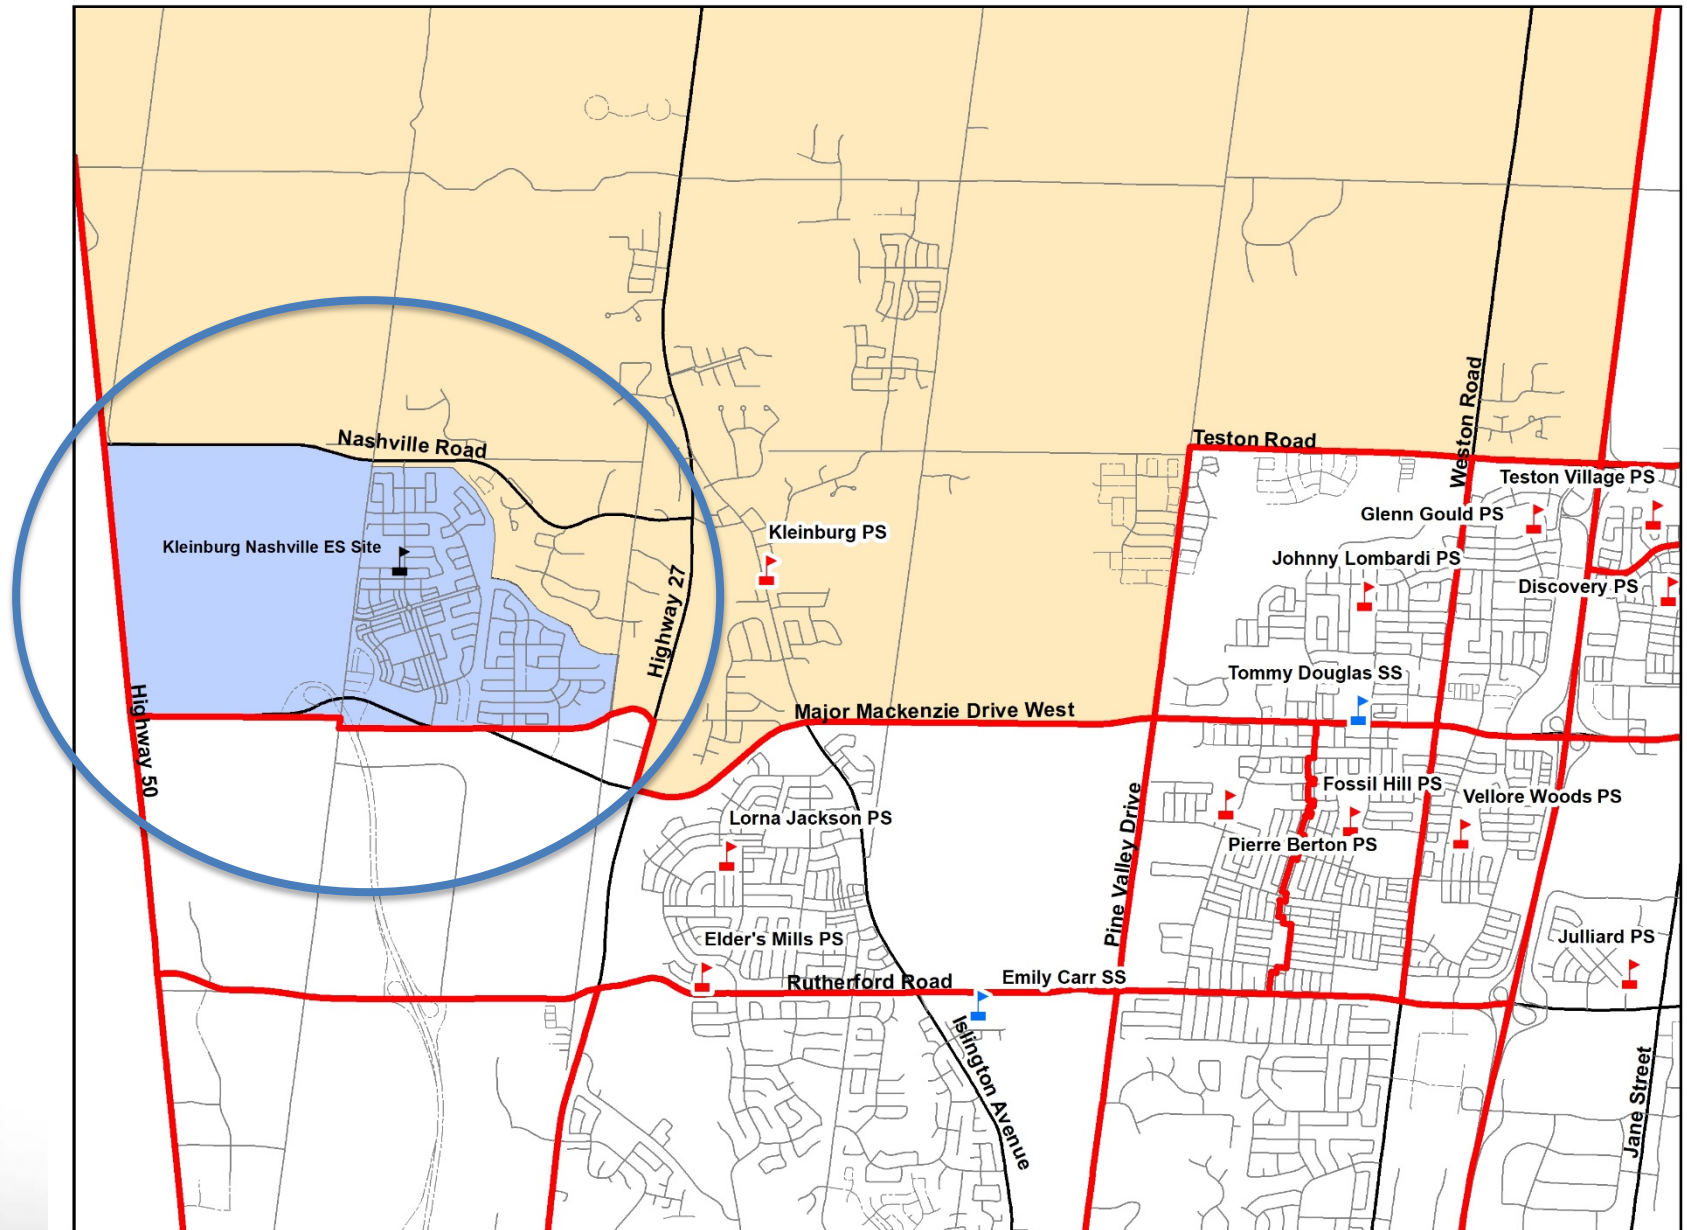

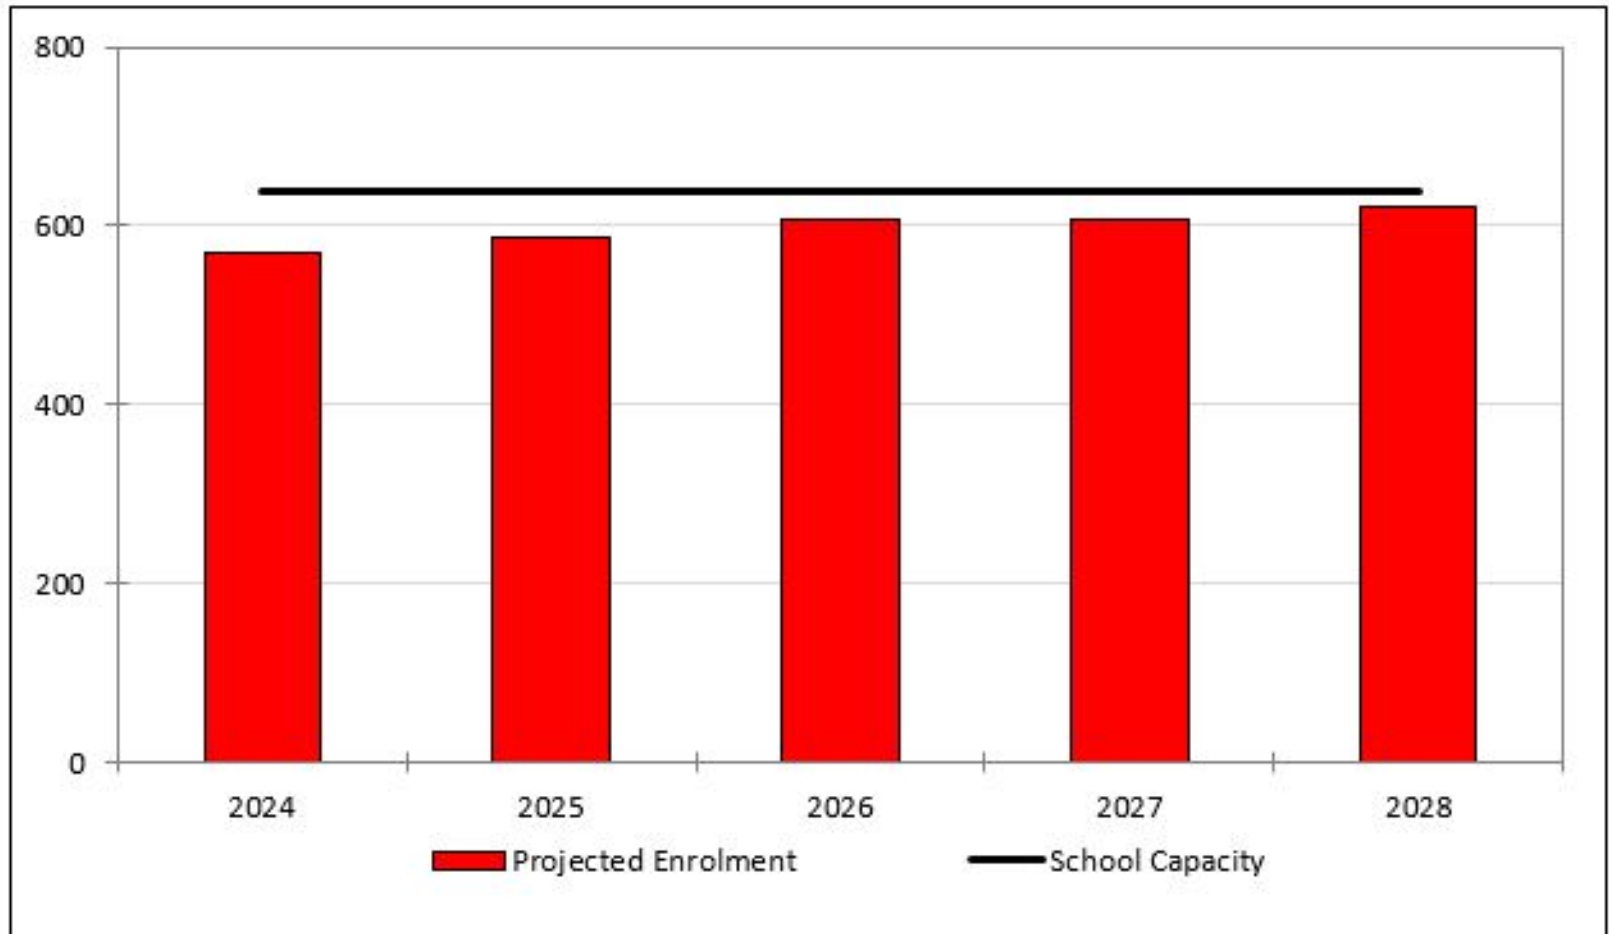

# Establishing a New School Boundary

- Boundaries are created to ensure the long term sustainable enrolment of a school
  - Can follow major features such as:
    - roads, railways (Hard dividers)
    - rivers, green spaces, woodlots, etc. (Natural dividers)
    - land parcels
  - Support walkable school community boundaries (non-transportation zone)
  - Incorporate future residential development
  - Based on a review of student yields in the surrounding areas
