Taking a Deeper Dive into connecting with community

The York Region District School Board finds itself on two distinct treaty territories. The [YRDSB Treaty Boundary Map](#) delineates exactly on which lands schools find themselves. Schools on lands of the *Williams Treaty* are part of a treaty relationship with the Chippewas of Georgina Island, Chippewas of Rama, and Beausoleil First Nation, whereas those on *Treaty 19* are treaty partners with the Mississaugas of the Credit. In addition to the treaty relationship with Georgina Island First Nation, we also have a partnership in education, which means we share responsibility for educating students who live on the island when they leave [Waabgon Gamig First Nation School](#) after grade five.
