## **Sixteenth Ave. Summer Institute (Located at Langstaff S.S.)**

### **Programs**

*The daily program is comprised of a language block in the morning, along with activities in the afternoon. During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.*

#### **Words Alive**

For children entering SK & grade 1, Words Alive is designed to further build literacy and numeracy skills. Activities may include: chants, music, games and puzzles, guided reading sessions, word hunts, and math mini lessons balanced with recreational activities such as music, soccer, field games, drama, arts & crafts and computer publishing.

#### **Clubhouse**

For children entering grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy and math activities designed to encourage problem solving and a growth mindset, balanced with recreational activities that may include: soccer, volleyball, arts & crafts, computer publishing, ball hockey and much more!

#### **Skills and Motion**

For youth entering grades 4 & 5, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

#### **Junior**

For children entering grades 4 & 5 we offer a variety of options. Children will participate in different skilled electives that are chosen from a list of many engaging and fun activities.

#### **Skills and Motion 2**

For youth entering grades 6, 7 & 8, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

#### **Junior High**

For youth entering grades 6, 7, & 8, our Junior High participants will have the opportunity to take part in activities of their choice. These are chosen from a list of activities geared to build on skills already achieved.

## **Leaders of Tomorrow (L.O.T.)**

A program designed for youth entering Grades 8 & 9. This leadership development program aims to provide participants with meaningful opportunities for "learning through active involvement". The program is designed to prepare our participants for future possible employment. Participants are exposed to program observation, activity preparation and program instruction and will be exposed to resume writing and interview workshops to help them obtain a job in the community. It is a certificate based program in which participants may be trained in first aid, baby sitting and leadership modules.

## **Electives**

*During the activity block, students are engaged in purposeful, intentional learning which is embedded within the following areas:*

### **Actor's Studio**

Love to be on stage? Come have fun learning the basic fundamentals of drama and improvisation in a fun-filled atmosphere where creativity and individual expression are encouraged.

### **Archery**

Learn to sight along the bridge of your nose and feel the wind in the feathers of arrows when firing at bull's eyes in the archery field.

### **Ball Hockey**

Participate in the ultra-popular summer sport of ball hockey. Participants will work on passing, shooting and game strategies.

### **Basketball**

An emphasis on basketball fundamentals is provided: ball handling and dribbling, fast breaks, lay-ups, passing, rebounding, setting screens and zone defense.

### **Clay Play**

Using clay and your creativity to make something from nothing; you will create your own item from scratch with raw clay. After you have created an original piece of art, you will use acrylic paint to enhance your design.

### **Connect and Create**

Interested in learning about circuits and what makes them work? Joins us for a fun, hands on exploration and learning about circuits, electricity and simulator tools. Students will work in groups and through self-directed learning to explore and create activities and objects with circuits.

### **Dance**

Participants will enjoy a week full of the latest music while they learn and perform cool dance moves in the SI dance studio.

## **Fine Arts**

We take great pride in the extensive visual arts programs available at SI. Participants may explore their creative possibilities. Whether your child is a gifted artist or simply delights in experimenting, there is something for everyone.

## **Games Master**

Invent your own reality! Learn about the elements and strategy of games such as chess, backgammon and possibly become a character in a game.

## **Jam Session**

Ever wanted to produce, create, and perform your own music? Well, here is your chance to put the wheels into motion. Become a true composer by learning how to use technology, percussive and string instruments, to express yourself in a creative way!

## **Knit Knots**

See a single string transform into something with form and beauty, almost like magic! Participants will learn a variety of knitting strategies and patterns. Create great projects that are as useful as they are beautiful.

## **Marvelous Makers**

Participants will plan, create and manipulate their creative ideas. They will have opportunities to invent, tinker, explore and discover using a variety of tools and materials, and technology.

## **Naturally Curious**

Take a closer look at the world outside your doorstep! Go on an insect safari, check out a local pond, play some cool interactive nature games, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.

## **Ready, Set, Cook**

Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

## **Ready, Set, Robotics!**

Participants will be introduced to a variety of different robotics. Come and explore the latest robotics and get ready to program and work through this self-directed program at your own pace.

## **Sew Crafty**

Create cool crafts and hot trends in Sew Crafty! A hand sewing program that will teach you hand stitching and embroidery. Create one-of-a-kind pieces that will catch everyone's attention.

## **Sights and Sounds**

Using online and packaged software on most home computers, come to "Sights and Sounds" and see the cool things you can do with photography, sound/ audio, and videos.

## **Soccer**

Have fun playing soccer this summer. This elective is for players of all levels who want to learn and improve their soccer skills in a fun and encouraging environment. From skill development drills, to using proper form to playing short scrimmages, the soccer elective has something for everyone! Please note that this elective takes place outdoors.

## **Summer Olympics**

If you have an interest in exploring sports from around the world and want to train for the SI Summer Olympics, this is the perfect program for you. Participants will learn different sports and games from around the world and partake in a number of team building challenges. At the end of each week, you will participate in the Summer Institute Olympics with your team and co-competitors!

## **Table Tennis**

Also known as Ping Pong, it has opponents rallying for points. Participants will learn how to develop and refine their table tennis skill by executing drills and playing in tournament style games. This is a fun and exciting way to get into shape. Do you have what it takes to be the tournament champion?

## **Tech Wizards**

Come join us to explore new and innovative ways to code. Throughout the session, we will examine coding in our world and how it has become an important part of our lives. We will explore coding through different mediums.

## **Visual Arts**

Bring your artistic side to life! Experience working with various materials and mediums. Project choices are only limited by your imagination.

## **Volleyball**

This elective is open to players at all levels. Have you ever wanted to play volleyball indoors? How about outdoors? This summer you will get the chance to experience both! Basic techniques, such as serving and hand positioning, as well as more advanced skills such as setting and blocking will be taught in this fast-paced, and fun elective.

## **Yoga**

Try this non-competitive physical exercise to build your stamina, concentration and muscle power! You will learn poses and postures to strengthen your muscles and mind while controlling your breathing and movements. No special equipment required, just you!

## **FANATIC ACTIVITY**

**\*Available to youth entering Grades 6, 7 and 8 only**

### **Dance Plus**

This high-energy dance class not only improves physical fitness, but also rhythm and self-confidence. In the SI Dance Studio, participants will enjoy learning the latest dance moves to the latest music. At the end of the week, they will have an opportunity to perform in front of other participants.

### **Hoops**

“Triple threat, fast breaks and three pointers” and many more advanced game-specific elements of basketball, will be taught by expert counselors in this fast-paced fanatic. Sign up and receive expert instruction for advanced skill development. This fanatic elective will get you ready to try out for and compete on your school’s basketball team!

### **Net Sports**

Looking for fast-paced excitement? Learn the fundamentals of a variety of net games like badminton, tennis, table tennis and volleyball and apply them to game situations.

### **SI’s Got Talent**

Do you have a unique talent? Can you sing, dance or play an instrument? Practice your hidden talent and show off your act.

### **Sew Creative**

Are your designs ready for the runway? Sharpen your creative skills by designing and making your own projects using hand sewing techniques and sewing machines at our SI sewing institute.

### **Swipe, Tap, Capture!**

Lights, Camera, Action... is what they used to say. Now, it’s more like, “Hey, are you recording this?”. With digital video and photo capturing becoming so easy and accessible, come to “Swipe, Tap, and Capture” to get some entry-level training on taking and capturing excellent digital imagery.

### **Tech Fanatics!**

Come join us to explore the world of technology where we will checkout coding, robotics, and circuitry. Create something out of nothing!

### **Urban Biking**

Interested in learning how to maintain a bike? Want to know the rules for the road? Then come biking with us through the community; we’ll lead the way! THIS ELECTIVE IS NOT RECOMMENDED FOR BEGINNER BIKERS. HELMETS ARE REQUIRED.
