

Discovery Summer Institute
2015 REGISTRATION PACKAGE

The daily program is comprised of a language block in the morning, along with activities in the afternoon.

PROGRAMS

Words Alive

For children entering Senior Kindergarten & Grade 1, Words Alive is designed to further build literacy skills. Activities may include: chants, music, games, guided reading sessions, and word hunts, balanced with recreational activities.

Clubhouse

For children entering Grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy activities balanced with recreational activities.

Skills 'n Motion Level 1

For youth entering grades 4 & 5, this program has both an intentional literacy focus and an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation. We all know how much kids enjoy the unknown (mysteries, secret stories and urban legends, etc.) Participants in Skills 'n Motion 1 will refine their reading and writing skills through daily immersion in various texts and will put their sleuth knowledge to use by publishing a fact or fiction report of their own through the use of technology in a variety of media forms.

Skills 'n Motion Level 2

For youth entering grades 6, 7 & 8, this program has both an intentional literacy focus and an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation. Participants will reinforce and refine their reading and writing skills through daily immersion in varying literary forms. Participants in Skills 'n Motion Level 2 will investigate the language and process of reporting and have the opportunity to publish their creative work using a variety of technology.

During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.

Please note that offsite outdoor education experiences will be offered weekly at no additional cost to participants attending Words Alive and Clubhouse. Information will be provided at the site.

ACTIVITIES

During the activity block, students are engaged in purposeful, intentional learning which is embedded within the following areas:

Actor's Studio Love to be on stage? Come have fun learning the basic fundamentals of drama and improvisation in a fun-filled atmosphere where creativity and individual expression are encouraged.

Archery Learn to sight along the bridge of your nose and feel the wind in the feathers of arrows when firing at bull's eyes in the archery field.

Ball Hockey Participate in the ultra-popular summer sport of ball hockey. Participants will work on passing, shooting and game strategies.

Basketball An emphasis on basketball fundamentals is provided: ball handling and dribbling, fast breaks, lay-ups, passing, rebounding, setting screens and zone defence.

Bucket Drumming Get a real bang out of your summer! Join Bucket Drumming and learn basic rhythm skills as well as cool beats! Create exciting pieces of music working with other percussionists.

Chess Learn the elements and strategies of this thought-provoking game! Build your analytical and higher order thinking skills as you imagine future moves to defeat your opponent. This world-renowned game is essential in building focus and strategic thinking in young minds.

Computers This hands-on program will get you ready for the future. Spread sheets, publishing, web design, graphics and more are the topics covered in this fun, yet educational program. Ride the wave to the future.

Dance Participants will enjoy a week full of the latest music while they learn and perform cool dance moves in the si dance studio.

Field Invaders Have you ever used a bowling pin for something other than bowling? In the Field Invaders fanatic, you will learn a new "high energy" game every day that you can play with your family and friends. Some of the games you will play will range from "Capture the Flag", "Spud", "Frozen Critters" to various forms of dodge ball. Don't forget the famous game of tag, but with a twist! Participants will also have an opportunity to create their own games. Don't miss out on this new and exciting program!

Passion for Pinterest It's all about creating, for both boys and girls. *DIY inspired by Pinterest.*

Ready, Set, Cook Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

Robotics Participants will be introduced to the LEGO Mindstorm technology program and work through this self-directed program at their own pace. Maximum of 2 participants per station.

Sew Crafty Create cool crafts and hot trends in Sew Crafty! A hand sewing program that will teach you hand stitching and embroidery. Create one-of-a-kind pieces that will catch everyone's attention.

Soccer "Pass, shoot, score!" In this elective, participants will make use of a variety of training equipment to take their soccer skills to the next level.

Video Filming See your ideas come to life on the big screen! You'll learn to work with both the video camera and the computer. Maximum of three participants per camera.

Wacky Science World Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will earn new and exciting concepts that will excite the scientist at heart.

Yoga Try this non-competitive physical exercise to build your stamina, concentration and muscle power! You will learn poses and postures to strengthen your muscles and mind while controlling your breathing and movements. No special equipment required, just you!
