

Oscar Peterson Summer Institute
2015 REGISTRATION PACKAGE

The daily program at is comprised of a language block in the morning, along with activities in the afternoon.

PROGRAMS

Words Alive

For children entering Senior Kindergarten & Grade 1, Words Alive is designed to further build literacy skills. Activities may include: chants, music, games, guided reading sessions, and word hunts, balanced with recreational activities.

Clubhouse

For children entering Grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy activities balanced with recreational activities.

Skills 'n Motion Level 1

For youth entering grades 4 & 5, this program has both an intentional literacy focus and an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation. We all know how much kids enjoy the unknown (mysteries, secret stories and urban legends, etc.) Participants in Skills 'n Motion 1 will refine their reading and writing skills through daily immersion in various texts and will put their sleuth knowledge to use by publishing a fact or fiction report of their own through the use of technology in a variety of media forms.

Skills 'n Motion Level 2

For youth entering grades 6, 7 & 8, this program has both an intentional literacy focus and an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation. Participants will reinforce and refine their reading and writing skills through daily immersion in varying literary forms. Participants in Skills 'n Motion Level 2 will investigate the language and process of reporting and have the opportunity to publish their creative work using a variety of technology.

During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.

Please note that offsite outdoor education experiences will be offered weekly at no additional cost to participants attending Words Alive and Clubhouse. Information will be provided at the site.

ELECTIVES

During the activity block, students are engaged in purposeful, intentional learning which is embedded within the following areas:

- Actor's Studio** Love to be on stage? Come have fun learning the basic fundamentals of drama, dance, and improvisation in a fun-filled atmosphere where creativity and individual expression are encouraged.
- Ball Hockey** Participate in the ultra-popular summer sport of ball hockey. Participants will work on passing, shooting and game strategies.
- Comic Book Wizard** Young cartoonists – here is your chance to create your own cartoon characters and the situations they find themselves in. You will learn how to create faces, settings and perspective and examine the use of line, text and colour.
- Cricket** Use your whole body to improve fitness with the international game of cricket. This sport combines a variety of skills from various popular sports like hockey and baseball.
- DigitArt** Students will learn the basics of digital photography. Each day's lesson will begin with a brief classroom introduction to a photographic technique (such as using the rule of thirds, photographing textures, using the macro setting, etc.). Students will then have the opportunity to experiment with their cameras and develop their skills with each technique learned. Students will choose a few of their favourite photos from the week's work to print and frame. They will write a short reflection piece for each of their photos, describing what makes their artwork effective.
- Field Invaders** Have you ever used a bowling pin for something other than bowling? In the Field Invaders fanatic, you will learn a new "high energy" game every day that you can play with your family and friends. Some of the games you will play will range from "Capture the Flag", "Spud", "Frozen Critters" to various forms of dodge ball. Don't forget the famous game of tag, but with a twist! Participants will also have an opportunity to create their own games. Don't miss out on this new and exciting program!
- Music Mix** Be your own D.J.! Using professional CD mixing equipment, participants will be able to learn the basics of being their own D.J. Maximum of 2 participants per console unit.
- Naturally Curious** Take a closer look at the world outside your doorstep! Go on an insect safari, check out a local pond, play some cool interactive nature games, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.
- Passion for Fashion** It's all about the accessories – bags, jewellery, wraps, and more.
- Passion for Pinterest** It's all about creating, for both boys and girls. DIY inspired by Pinterest.

- 
- Racquet Sports** Learn the elements of a variety of racquet sports (badminton, tennis, ping pong and more) and practise them in tournament style!
 - Ready, Set, Cook** Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.
 - Simple Machines** "Give me a lever and a place to stand and I can move the world!" You will design and build various simple machines and models that will roll, float and shoot. Take your models home at the end of each session.
 - Soccer** "Pass, shoot and score!" In this elective, participants will make use of a variety of training equipment to take their soccer skills to the next level.
 - Sportacular Fun** Participants will enjoy a variety of fun filled games while learning the tactics, strategies and fundamental skills of team and individual sports.
 - Street Ball** Have you ever wanted to take the skills that you have learned in basketball and apply them to a game of basketball "pick up"? Well in this elective you will do just that. You will learn all the skills needed to beat your opponent and drive to the net! Sign up for this elective and you will be ready to challenge anyone in your neighbourhood!
 - Tech World** Participants can plan, create and manipulate their creative ideas using the latest technology.
 - Visual Arts** Bring your artistic side to life! Experience working with various materials and mediums. Project choices are only limited by your imagination.
 - Wacky Science World** Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will earn new and exciting concepts that will excite the scientist at heart.
