

**Unionville Meadows Summer Institute**  
**2015 REGISTRATION PACKAGE**

The daily program is comprised of a language block in the morning, along with activities in the afternoon.

## PROGRAMS

### Words Alive

For children entering Senior Kindergarten & Grade 1, Words Alive is designed to further build literacy skills. Activities may include: chants, music, games, guided reading sessions, and word hunts, balanced with recreational activities.

### Clubhouse

For children entering Grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy activities balanced with recreational activities.

### Skills 'n Motion Level 1

For youth entering grades 4 & 5, this program has both an intentional literacy focus and an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation. We all know how much kids enjoy the unknown (mysteries, secret stories and urban legends, etc.) Participants in Skills 'n Motion 1 will refine their reading and writing skills through daily immersion in various texts and will put their sleuth knowledge to use by publishing a fact or fiction report of their own through the use of technology in a variety of media forms.

### Skills 'n Motion Level 2

For youth entering grades 6, 7 & 8, this program has both an intentional literacy focus and an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation. Participants will reinforce and refine their reading and writing skills through daily immersion in varying literary forms. Participants in Skills 'n Motion Level 2 will investigate the language and process of reporting and have the opportunity to publish their creative work using a variety of technology.

During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.

**Please note that offsite outdoor education experiences will be offered weekly at no additional cost to participants attending Words Alive and Clubhouse. Information will be provided at the site.**

## ELECTIVES

During the activity block, students are engaged in purposeful, intentional learning which is embedded within the following areas:

☐ **Actor's Studio** Love to be on stage? Come have fun learning the basic fundamentals of drama, dance, and improvisation in a fun-filled atmosphere where creativity and individual expression are encouraged.

☐ **Archery** Learn to sight along the bridge of your nose and feel the wind in the feathers of arrows when firing at bull's eyes in the archery field.

☐ **Ball Hockey** Participate in the ultra-popular summer sport of ball hockey. Participants will work on passing, shooting and game strategies.

☐ **Basketball** An emphasis on basketball fundamentals is provided: ball handling and dribbling, fast breaks, lay-ups, passing, rebounding, setting screens, and zone defense.

☐ **Comic Book Wizard** Young cartoonists – here is your chance to create your own cartoon characters and the situations they find themselves in. You will learn how to create faces, settings and perspective and examine the use of line, text and colour.

☐ **DigiArt** Students will learn the basics of digital photography. Each day's lesson will begin with a brief classroom introduction to a photographic technique (such as using the rule of thirds, photographing textures, using the macro setting, etc.). Students will then have the opportunity to experiment with their cameras and develop their skills with each technique learned. Students will choose a few of their favourite photos from the week's work to print and frame. They will write a short reflection piece for each of their photos, describing what makes their artwork effective.

☐ **Duct Tape Creations** You will never wonder again what to do with duct tape! Have a blast as you create awesome and colourful patterns and crafts using duct tape. The best thing is that they are easy to make!

☐ **Field Invaders** Have you ever used a bowling pin for something other than bowling? In the Field Invaders fanatic, you will learn a new "high energy" game every day that you can play with your family and friends. Some of the games you will play will range from "Capture the Flag", "Spud", "Frozen Critters" to various forms of dodge ball. Don't forget the famous game of tag, but with a twist! Participants will also have an opportunity to create their own games. Don't miss out on this new and exciting program!

☐ **Music Mix** Be your own D.J.! Using apps and technology, participants will be able to study and create music.

☐ **Naturally Curious** Take a closer look at the world outside your doorstep! Go on an insect safari, check out a local pond, play some cool interactive nature games, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.

☐ **Racquet Sports** Learn the elements of a variety of racquet sports (badminton, tennis, ping pong and more) and practise them in tournament style!

☐ **Ready, Set, Cook** Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

☐ **Robotics** Participants will be introduced to the LEGO Mindstorm technology program and work through this self-directed program at their own pace. Maximum of 2 participants per station.

☐ **Simple Machines** "Give me a lever and a place to stand and I can move the world!" You will design and build various simple machines and models that will roll, float and shoot. Take your models home at the end of each session.

☐ **Soccer** "Pass, shoot and score!" In this elective, participants will make use of a variety of training equipment to take their soccer skills to the next level.

☐ **Sportacular Fun** Participants will enjoy a variety of fun filled games while learning the tactics, strategies and fundamental skills of team and individual sports.

☐ **Tech World** Participants can plan, create and manipulate their creative ideas using the latest technology.

☐ **Ultimate Frisbee** Throws of 100 yards, vertical leaps and horizontal dives are all apart of Ultimate Frisbee. Join the thousands around the world who are quickly getting into this fast growing sport.

☐ **Visual Arts** Bring your artistic side to life! Experience working with various materials and mediums. Project choices are only limited by your imagination.

☐ **Wacky Science World** Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands on activities in the wonderful world of science. Developed for budding scientists, participants will learn new and exciting concepts that will excite the scientist at heart.

## WHAT SHOULD I WEAR?

- respectable attire
- comfortable shoes (running shoes are required for all athletic activities)
- a t-shirt (bring a sweater or jacket on cool days)
- shorts (or pants if it's cool)

## THE SUMMER INSTITUTE BEHAVIOUR POLICY

The Summer Institute values personal safety, self-respect, respect for others, respect for property and respect for programs. Individuals who are unable to help us promote these values may:

- have a discussion with an **si** Program Leader;
- experience a restriction of privileges; or
- be temporarily or permanently removed from the program.

Personal information is collected pursuant to the Education Act and will be used to 1) properly place your child in the Summer Institute programs; 2) make contact with parents/guardians/emergency contacts should an issue arise; and 3) to ensure your child's health needs are understood. This information will be retained from 12 months from the date of last use. If you would like more information about how personal information is collected, please email Linda Aihoshi, performanceplus.si@yrdsb.ca
