Lake Wilcox Summer Institute

Programs

The daily program is comprised of a language block in the morning, along with activities in the afternoon. During the language block, students are engaged in fun and enriching learning activities that address reading, writing, media and oral communication expectations from the Ministry of Education curriculum documents.

Words Alive

For children entering SK & grade 1, Words Alive is designed to further build literacy and numeracy skills. Activities may include: chants, music, games and puzzles, guided reading sessions, word hunts, and math mini lessons balanced with recreational activities such as music, soccer, field games, drama, arts & crafts and computer publishing.

Clubhouse

For children entering grades 2 & 3, Clubhouse provides opportunities for children to participate in a full day program designed exclusively for this age group. This program has a focus on theme related literacy and math activities designed to encourage problem solving and a growth mindset, balanced with recreational activities that may include: soccer, volleyball, arts & crafts, computer publishing, ball hockey and much more!

Skills and Motion 1

For youth entering grades 4 & 5, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

Skills and Motion 2

For youth entering grades 6, 7 & 8, this program has both an intentional literacy and math focus designed to encourage problem solving and a growth mindset, as well as an opportunity to participate in a variety of engaging and fun elective activities in athletics, arts and recreation.

Junior

For children entering Grades 4 & 5, we offer a variety of options. Children will participate in different skilled electives that are chosen from a list of many engaging and fun activities.

Junior High

For youth entering grades 6, 7 & 8, our Junior High participants will have the opportunity to take part in activities of their choice. These are chosen from a list of activities geared to build on skills already achieved.

Electives

During the activity block, students are engaged in purposeful, intentional learning which is embedded within the following areas:

Archery

Learn to sight along the bridge of your nose and feel the wind in the bridge of your nose and feel the wind in the feathers of arrows when firing at bull's eyes in the archery field.

Ball Hockey

Participate in the ultra-popular summer sport of ball hockey. Participants will work on passing, shooting and game strategies.

Breakout Session

In this exciting new elective, teams will work together, using critical thinking and problem solving skills, to solve a series of mysteries in order to open a locked box. Teams will focus on creatively thinking "outside the box" with daily challenges.

Broadway Bound!

All the world's a stage and you can be at the center of it! Delve into the world of theatre as you act and develop your performance skills. Get a feeling for what goes on behind the scenes as you perform a variety of dramatic forms and even write your own material.

Bucket Drumming

Get a real BANG! out of your summer. Join bucket drumming and learn basic rhythm skills, as well as cool beats. Create exciting pieces of music working with other percussionists.

Creative Arts

We take great pride in the extensive visual arts programs available at SI. Participants may explore their creative possibilities. Whether your child is a gifted artist or simply delights in experimenting, there is something for everyone.

Dance

Participants will enjoy a week full of the latest music while they learn and perform cool dance moves in the SI dance studio.

Digital Creative Design

Learn how to create cutting edge advertisements, pictures, and YouTube videos. You will learn beginning areas of Print & Web graphic design, including colour theory, digital images, design, electronic prepress, page layout, web page design, and digital video.

Field Invaders

In Field Invaders, you will learn a new "high energy" game every day that you can play with your family and friends. Some of the games will range from "Capture the Flag", "Spud", "Frozen Critters", "Ultimate Frisbee" to various forms of dodgeball. Participants will also have an opportunity to create their own games.

Games Wizards

Invent your own reality! Learn about and play games such as chess, checkers, backgammon, mine-craft, and wizards 101. Get ready to enjoy a week exploring and problem solving through themed and hands-on activities. Participants will work on different projects each week, incorporating concepts that will engage young minds.

Jam Session

Ever wanted to produce, create, and perform your own music? Well, here's your chance to put the wheels into motion. Become a true composer by learning how to use technology, percussive and string instruments, to express yourself in a creative way!

Lights, Camera, Action!

Attention all photographers & videographers! This is your opportunity to learn and develop your skills in digital photography and video filming! Learn how to capture and manipulate images with the latest digital cameras and leading edge digital editing software.

Makerspace

Participants can plan, create and manipulate their creative ideas. They will have opportunities to invent, tinker, explore and discover using a variety of tools and materials, and technology.

Math Masters

Put your math skills to the test. In this technology-based elective, participants will have the opportunity to explore 'Prodigy' gaming, design their own code, and even create their own math game!

Naturally Curious

Take a closer look at the world outside your doorstep! Go on an insect safari, play some cool interactive nature games, make some nature crafts, learn how to be a nature detective, and become more aware of the wildlife that shares our city with us! This program will run outdoors, rain or shine.

Net Sports

Looking for fast-paced excitement? Learn the fundamentals of a variety of net games like badminton, tennis, table tennis and volleyball and apply them to game situations.

Passion for Pinterest

It's all about creating, for both boys and girls. DIY inspired by Pinterest.

Ready, Set, Cook

Continues to offer the basics of food preparation and cooking. Participants will eat their daily creations and take home a recipe book at the end of each session.

Robotics

Participants will be introduced to the LEGO Mind-storm technology program and work through this self-directed program at their own pace. Maximum of two participants per station.

Scrapbooking

Do you want to display pictures of your friends and family in a cool way? In this program participants will learn the creative art of combining pictures, memories and stories in one amazing album. Campers will have the option of bringing in pictures of their own or taking pictures at camp using digital cameras.

Soccer

“Pass, shoot, score!” In this elective, participants will make use of a variety of training equipment to take their soccer skills to the next level.

Street Ball

Have you ever wanted to take the skills that you have learned in basketball and apply them to a game of basketball ‘pick up’? Well this elective will do just that. You will learn all the skills needed to beat your opponent and drive to the net!

Wacky Science World

Get ready to enjoy a week jam-packed with discovery and exploration through themed, hands-on activities in the wonderful world of science. Participants will learn new and exciting concepts that will excite the scientist at heart.

Yoga

Try this non-competitive physical exercise to build your stamina, concentration and muscle power! You will learn poses and postures to strengthen your muscles and mind while controlling your breathing and movements. No special equipment required, just you!

Fanatic Activity (Available to youth entering Grades 6, 7 and 8 only)

Urban Biking

Interested in learning how to maintain a bike? Want to know the rules for the road? Then come biking with us through the community; we’ll lead the way! **THIS ELECTIVE IS NOT RECOMMENDED FOR BEGINNER BIKERS. HELMETS ARE REQUIRED.**
