*My goal as school trustee is to make Richmond Hill one of the best communities for education.*

*I am here to support all families as we navigate through the disruptions caused by the pandemic.*

## Reasons why you should vote for me:

- Born and raised in Canada. I'm a 2nd generation Canadian of Immigrant parents. Proud resident of Richmond Hill for 20 years.

## I want to give back and make my community the best it can be.

- I served as co-chair of a Richmond Hill Elementary School Council for the past five (5) years. I've collaborated with the superintendent, administration and multitude of parents looking for answers and solutions to their concerns and needs.

As co-chair, I help promote communication and dialogue between the administration and parents. Parents have entrusted me with their confidential concerns and needs. **I will use these strong communication skills when advocating on your behalf as school trustee.**

- I am a professional risk manager and project manager (PMP). My background in strategy, risk, governance, analysis and projects combined with my understanding and experience working with the school will benefit the families and constituents who I serve as School Trustee. **I bring a different perspective to the education system.**

- I understand what parents go through on a daily basis as I share a similar perspective having a child who is attending a local elementary school. **I have a vested interest to make it the best experience for all kids.**

|

If you are interested in a School Trustee who is proactive, passionate, energetic and dedicated to get things done

**VOTE MYRA CHOW**
