Administrators' Message

December is always a busy month and here at Adrienne Clarkson we have several different initiatives underway to create interesting learning opportunities as well as lasting memories. This month we are having two Spirit Days: Pajama Day and Funny/Seasonal Sweater Day. Our Grade 1, 2 and 3 classes will also be having afternoon Winter Concerts on the 21st and 22nd. We are also collecting for the ACPS Food Bank Campaign and new hats or mittens for our Hat and Mitten Tree in the office from now until December 22nd. Our Scholastic Book Fair is currently taking place and we know how excited our students are to have this in person again.

It is important that during the holiday season and all throughout the year, that we help children to understand what it means to be empathetic – to understand how someone else may be feeling, or to understand another's point of view. Donating some time to a Food Bank or listening when someone is speaking are ways we can help children to learn to be empathetic, but also to be appreciative of our blessings: good health, loving families, safe homes, the first snowfall, and the list could go on and on. Children and adolescents can learn to show their appreciation of the little things that we often overlook. This also helps them to build resiliency and to bounce back from a rough day.

It is equally important to remember the simplicity and importance of family time, for example, with a family game night or a family walk to enjoy the snowfall. Studies have shown that screen time prior to bedtime can have a negative impact on restful and restorative sleep. All electronics should be turned off and put away at least one hour before bedtime to allow for adequate down time prior to going to sleep. This is a great time to read a story, talk about the day, or have an "appreciation" conversation. Ensuring a "good night's sleep" should be a top priority to prepare the mind and body for the following day.

We wish all of our Adrienne Clarkson community much joy and peace as you spend time with loved ones, enjoying this season of celebration! We look forward to welcoming everyone back in the New Year. Bonnes Vacances et Bonne Année!

Winter Weather & Recess

Students should come dressed appropriately for the weather and for outdoor play. Students can stay warm by wearing layers of loose-fitting clothing, a hat, scarf, jackets, snow pants and mittens or gloves. Students may also want to bring extra pants and socks in case they get wet.

If students are well enough to come to school, they are expected to go outside for recess. Our students benefit from spending time outside and being active. We monitor weather conditions throughout the day. If there are extreme weather conditions, we may consider a shortened or indoor recess.

Lates and Absences

On some days we have a significant number of our school population who are late for school. Arriving late to class causes disruption for the child who is late, the children who are learning and the teacher. Frequent lates or absences will result in academic difficulties as children will miss important instruction.

Our school day begins at **8:05 a.m.**

Aim to have your child at school by 8:00 a.m. so he/she is not late.

Please be sure that children arrive on time and ready to learn!

YRDSB Student and Family Surveys

We will be inviting all students in Grades 4-12 and students in Grades K-3 to participate in the 2022-23 Every Student Counts Survey in the Spring of 2023. Surveys will be available online and will take approximately 20 minutes to complete.

You and your child should have received a letter from the Board notifying them that the survey will be taking place. The surveys will provide the Board and our schools with valuable information about the learning experiences of students and families this year that are used to inform Board and school planning and to support student achievement and well-being. Students in Grades 4-12 will be given class time to complete the survey at schools. Students in Grades K-3 are encouraged to complete the survey at home with their family. Families who do not want their child(ren) to be sent an invitation to participate in the survey will be given a chance to opt their child out of receiving the survey in the new calendar year.

As our first partners in education, we value input from families and encourage parents/guardians to complete the survey. The information provided will be confidential and kept in strict accordance with all relevant legislation.

Please contact Research Services at research.services@yrdsb.ca if you have any questions or visit the [Board website](#) to learn more.

ACPS Hat and Mitten Tree

Donate new hats and mittens.

Hang them on the tree!

All donations will go to The Yellow Brick House.

Donate by Thursday, December 22nd.

BUS AND SCHOOL CANCELLATIONS

BUSES -If buses have been cancelled in the morning, there **will not** be afternoon bussing. Please see below for bussing information.

DROP OFF/PICK UP - Students who come to school when busses are cancelled may be dropped off through the parking lot loop in the morning.

Pick up will begin at 2:00 pm. You must come into the school to pick up your child. Please pick up your child by 2:35 pm.

When an extreme cold or inclement weather day is declared, school transportation (including buses and taxis) is cancelled in the morning and afternoon. Schools will remain open. Please notify the school if your child will not be attending school on those days. Students will not be penalized for missing school on these days.

There may be rare instances when emergency weather events occur and we need to close all schools and Board locations. Please take the time to make plans in the event of an emergency school closure. Information about transportation cancellations and Board closures will be shared through local media, Board and school websites and on twitter @YRDSB.

Our process for extreme cold, inclement weather and emergency weather days are outlined in the Board's Severe Weather policy. Families, students and school staff are asked to access the following radio and television stations after 6:00 a.m. to receive bus and/or school cancellation information:

ACPS Peace Club Food Bank Campaign

Dear ACPS family,

Now that winter is almost here, The ACPS Peace Club is once again holding its annual food drive.

We are asking everyone in the ACPS school community to bring in non-perishable goods from Monday December 5th until Thursday December 22nd. Student leaders from the Peace Club will come around to classrooms once a week, every Wednesday during recess to collect food items brought in until the donation drive is over.

Our goal is to collect at least 500 pounds of non-perishable items. Suggested items are grain such as flour, rice, and pasta, canned goods that have not reached their best before dates such as soup, sauces, or vegetables or gift cards from Food Basics or President's Choice stores. Each donation will be greatly appreciated as we support those who are in need in our communities. Recent food bank data has never been clearer in showing the importance of contributions during the pandemic as food bank visits are increasing.

Thank you for your kindness and support of our student-led initiative on behalf of the Richmond Hill food banks.

Bullying Prevention and Awareness @ ACPS

At our school, it is important that we provide a caring, safe and inclusive environment that supports the academic achievement and well-being of all students. It's always an important reminder to our school community about bullying and how to respond.

Bullying is a form of repeated, persistent and aggressive behaviour directed at an individual or individuals that is intended to cause (or should be known to cause) fear and distress and/or harm to another person's body, feelings, self-esteem or reputation. Bullying occurs in a context where there is a real or perceived power imbalance.

Bullying can take many forms. Some include:

Physical – hitting, shoving, stealing or damaging property

Verbal – name calling, mocking, or making sexist, racist or homophobic comments

Social – excluding others from a group or spreading gossip or rumours about them

Electronic (commonly known as cyberbullying) – spreading rumours and hurtful comments through the use of cellphones, e-mail, text messaging and through social media

Conflict vs Bullying

People sometimes confuse conflict with bullying, but they are different. Conflict between students does not always mean it's bullying.

Conflict occurs between people who have a disagreement, a difference of opinion or different views.

When there is conflict, each person feels comfortable expressing their views.

Children learn at a young age to understand that others can have different perspectives than their own.

Developing the ability to gain perspective takes time and continues into early adulthood

Bullying is never acceptable at our school. All members of our school community are encouraged to stand up and support each other. Should there be concerns about bullying or if you have any questions please contact us.

You can also report events that happen at school, at school-related activities, online or off school property if they negatively affect a student or the school climate by contacting your classroom teacher or the school office.

Thank you for helping us create a safe, respectful and inclusive school community.

Message From Our Trustee – December 2022

I am happy to serve as your trustee on the 2022-2026 Board of Trustees.

As a trustee, my role includes being an advocate for quality public education in York Region, and I want to assure you that I am committed to that work. Every one of our students deserves to be learning in an environment where they feel safe, valued and supported in learning and achieving success.

Part of our role as trustees includes making [policy](#) and [budget](#) decisions, and setting our priorities as an organization through a [Multi-Year Strategic Plan](#). Our board will work hard to keep students at the centre of our decision making, and to build collaborative relationships with the families and communities we serve. The education of our students, your children, is a partnership and the relationships we have with families is an essential one.

Communicating with families and members of the public is also an important part of our role, and I look forward to connecting with members of the school community in the coming weeks and months. Please feel free to contact me if you have any questions or concerns. I will be sharing information with you throughout the school year, and letting you know more about our work and priorities as a school board. You can also visit the board website at www.yrdsb.ca or follow on social media.

As we head into December, I also want to wish you a safe and enjoyable winter break. There are many significant dates in December for different faiths and cultures, and to all those celebration, I wish you a happy and joyous celebration. I hope everyone has an opportunity to spend time with family and friends, relax and recharge, and we look forward to welcoming you back in January.

Cindy Liang

Trustee, Richmond Hill Wards 3, 5 and 6
