Aldergrove Public School Community Newsletter December 8, 2023, Vol. 8

Message from the Office

It's hard to believe that we are approaching the Winter Break and the end of 2023. We look forward to many engaging activities with scholars as we approach the end of December. Our grade 5 scholars initiated a Winter Food Drive to support the Markham Food Bank. Giving back to the community builds a social justice lens for all of us.

We have said farewell to Ms. Hsiao. We wish her all the best as she awaits the arrival of her baby.

The Aldergrove tradition, the Gingerbread House Workshop, happened last night. It was an excellent opportunity for school and home to come together and share in a fun experience. Making gingerbread houses, playing bingo, delicious food and even a performance from our concert band.

To our families celebrating Chanukah this year, we wish you a blessed celebration. We are grateful for the generosity from the community on so many levels. Thank you for your continued partnership in supporting our scholars to achieve their fullest potential.

Cold Weather is Here!

This is a reminder that all scholars are expected to go outside for recess. Please ensure that your child/ren are dressed appropriately for winter weather. A change of clothes would be helpful for primary children should they get wet during the day. Please make sure all clothing items are labeled with your child's name. Our "Lost and Found" bin gets filled up quickly and belongings often go unclaimed. Please make sure your child has a pair of indoor shoes for school.

Scientists in the School

Scientists in the School are here at Aldergrove! Over the next few months, we will be welcoming "Scientists in the School" to work with some of our Primary, Junior and Intermediate classes. This is an exciting opportunity for scholars to participate in a day of being a scientist and engage in real-world experiences that spark curiosity and nurture their inquisitive young minds. This program has been subsidized for all the scholars through the fundraising efforts this year.

Elementary School Dental Screening Program

York Region Public Health has resumed the dental screening program in schools. Public health staff will begin visiting Aldergrove on January 26 and 29 2024. A letter will be distributed to families closer to the time of screening.

Aldergrove is providing following lunch programs:

Tuesday: Pizza Lunch, October 17-January 30.

Boomerang Lunch Program Starting in January 2024

HOW IT WORKS: All waste from your child's snacks/lunches will be returned home in their lunch bags. This includes all packaging, uneaten food and leftovers.

WHY WE NEED THIS PROGRAM: Most lunch trash comes from disposable packaging of single use food items, plastic bags and foil. It's estimated that the average school age child using a disposable lunch produces 67 pounds of lunch waste per school year! Using re-usable containers, thermos bottles and bringing the right amount of food will let children know they can be part of the solution to our waste problems.

BENEFITS: A Boomerang lunch provides you with information about the eating habits and preferences of your child. By carrying home the leftovers you can see what's been eaten or not. Teachers see a huge amount of uneaten food go into the garbage day after day. This is not only wasteful but expensive. We know this is asking families to re-think food preparations and student actions but our hope is that informative discussions will take place and habits will change. Packing a waste free lunch not only helps the environment it can also result in healthier more nutritious snack/lunches. Did you know that many pre-packaged foods contain significant amounts of salt, preservatives, sugar and fat?

Waste Free Snack/ Lunch Tips

1. Use reusable lunch carriers. Please avoid plastic or paper bags.
2. Use reusable containers. Please avoid plastic wrap, foil, wax paper, Styrofoam.
3. Use reusable drinks bottles or thermos. Please avoid single-use juice boxes, pouches, cans and plastic water bottles.
4. Use a cloth napkin and wash and re-use. Please avoid paper napkins.
5. Use silverware and wash and re-use. Please avoid plastic forks/knives.
6. Buy fresh fruits and vegetables and cut them up so you can send the right amount. Cutting and peeling fruit and vegetables makes it quicker and easier for your child to eat in their short eating time.
7. Get your children to help pack their snacks/lunches with healthy foods.
8. Only pack as much food as your child will eat.

Message from Our Trustee December 2023

I hope everyone has had a good start to the school year and is looking forward to the winter break ahead.

As I have been visiting schools and attending events, I continue to be impressed by the professionalism and dedication of school staff, the commitment and support of families and the curiosity, creativity and enthusiasm of students. As a Board of Trustees, we continue our commitment to delivering a high-quality education, this also includes striving to create safe, caring, inclusive and respectful school environments where students feel valued and supported.

I want to thank everyone who attended the school council forum held in our area and helped to make the event such a success. It was a wonderful opportunity to bring together school council members for an evening of shared learning and discussion. School councils play such an important role in our schools, and we are grateful for all that they do to support students, family engagement and schools.

While we are not yet at the midway point in the school year, many students and families are already looking to the school year ahead, visiting [secondary school open houses](#) and starting to think about course selections for next school year. All our secondary schools offer a variety of courses, programs and opportunities that let students gain skills and experience, explore their interests and begin preparing for the future. Those opportunities are now even easier to explore.

Students can [search from 16 different sectors](#) that interest them, including STEM, Arts, business, manufacturing and many more to discover how they can earn credits, gain experience, skills and certifications in those areas. Visit www2.yrdsb.ca/experience-yrdsb to learn more.

We also offer a variety of [programs for Black students](#) through the Board's Centre for Black Student Excellence. These summer and school-year programs are designed to affirm students' identities and support student achievement and well-being. You can learn more about the programs and how to sign up for the centre's mailing list [on the website](#).

One of our roles as a Board of Trustees is to regularly review Board policies to ensure they are relevant, reflect our mission and values as an organization, and meet the needs of our students. An important part of that process is collecting feedback from the community. [Learn more on the Board website](#) about how you can share your input and see what policies are currently being reviewed. I want to take this opportunity to thank families for their patience while we work to restore services following [network outages](#) as a result of a cyber incident, and to acknowledge the work of our staff who continue to deliver high quality public education and to restore services.

As we get ready to embrace the winter months we wanted to remind students and families about dressing warm, staying hydrated, and giving yourself extra time to travel. Winter walking can feel overwhelming but it doesn't have to be. Below are some important dressing tips and winter walking tips to consider when traveling actively to school. Take some time to review these tips with your child.

Winter Walking Tips

- Bend knees slightly and keep them loose to give more balance
- Walk flat footed so more of your foot is touching the ground
- Point your feet out slightly like a penguin
- Watch where you are stepping
- Take shorter, shuffle-like step
- Keep your arms at your sides (not in your pockets!)
- Concentrate on keeping your balance
- Very important...walk slowly!

WHAT IS CAPC?

The Public Health Agency of Canada's Community Action Program for Children (CAPC) is an exciting, innovative, community-based program. It arose from the awareness that communities are best positioned to recognize the needs of their children and have the capacity to draw together the resources to address those needs. CAPC encourages early investment in children so that they get a better start in life, supported successfully in kindergarten, and their chances to participate fully in society as adults are enhanced.

The project offers a wide variety of **FREE** programs, such as Parent Support, Transition to Kindergarten, Play & Learn and outreach to local schools to assist in strengthening parenting skills, and the parent-child relationship; Early Learning and Family Literacy Programs to enhance children's school transition skills; and other programs tailored to meet the needs of each community.

CAPC provides families and caregivers with children ages 0 through 6 years, a range of **free** programs in a safe environment where children can experience a variety of age appropriate learning activities and practice new skills.

Early Literacy events are held throughout the year that are fun, interactive and often provide families with a complimentary activity bag full of resources, and program materials.

Families will receive access to various helpful resources and tips within the community to help support your child's growth, development, and transition to school.

CAPC programs offer resources and interactive virtual programs through Zoom & private Facebook groups.

Children First:
Children are the primary consideration of each CAPC program

Families will receive an opportunity to interact with their children, other families and staff, while utilizing age appropriate learning materials that contribute towards building relationships that will last a life time.

Programs will use the outdoors – the schoolyard, the community and adjacent park/wooded areas – as natural extensions of our indoor programs.

CAPC programs offer 4 Season Outdoor Programming to extend our learning to the outdoors with educator-supported environmental inquiry.

Outdoor programming is offered to easily allow for safe, physically distanced activities for children and families.

Aldergrove Public School 社区通讯 2023 年 12 月 8 日, 第 8 期

来自办公室的消息

很难相信我们即将迎来寒假和 2023 年年底。随着 12 月底的临近，我们期待着与学者们开展许多互动活动。我们的五年级学生发起了冬季食品活动来支持万锦食品银行。回馈社区为我们所有人建立了社会正义的视角。

我们已经和 Ms. Hsiao 说再见了。在她等待孩子的到来时，我们祝愿她一切顺利。

Aldergrove的传统——姜饼屋工作坊于昨晚举行。这是学校和家庭聚在一起分享有趣经历的绝佳机会。制作姜饼屋、玩宾果游戏、品尝美味佳肴，甚至还有我们的音乐会乐队的表演。

Aldergrove 午餐计划

Aldergrove提供以下午餐计划:

周二: 披萨午餐, 10月17日至1月30日

星期三: 寿司午餐, 10月18日至1月31日

周五: 三明治午餐, 10月27日至1月26日

Boomerang 午餐计划将于 2024 年 1 月开始

运作原理: 您孩子点心/午餐中的所有垃圾都将装在午餐袋中带回家。这包括所有包装、未吃的食物和剩菜。

为什么我们需要这个计划: 大多数午餐垃圾来自一次性食品、塑料袋和铝箔的一次性包装。据估计, 使用一次性午餐的学龄儿童平均每学年会产生 67 磅的午餐浪费! 使用可重复使用的容器、保温瓶并携带适量的食物可以让孩子们知道他们可以成为解决垃圾问题的一部分。

好处: Boomerang午餐为您提供有关孩子饮食习惯和喜好的信息。通过把剩菜带回家, 你可以看到哪些被吃掉了, 哪些没有被吃掉。老师们日复一日地看到大量未吃的食物被扔进垃圾箱。这不仅浪费而且昂贵。我们知道这要求家庭重新考虑食物准备和学生行为, 但我们希望能够进行内容丰富的讨论并改变习惯。包装无浪费的午餐不仅有利于环境, 还可以带来更健康、更有营养的点心/午餐。您是否知道许多预包装食品含有大量的盐、防腐剂、糖和脂肪?

避免浪费点心/午餐小贴士

1. 使用可重复使用的午餐盒。 请避免使用塑料袋或纸袋。
2. 使用可重复使用的容器。 请避免使用保鲜膜、箔纸、蜡纸、聚苯乙烯泡沫塑料。
3. 使用可重复使用的饮料瓶或保温瓶。 请避免使用一次性果汁盒、袋、罐和塑料水瓶。
4. 使用布餐巾并清洗并重复使用。 请避免餐巾纸。
5. 使用银器并清洗并重复使用。 请避免使用塑料叉子/刀子。
6. 购买新鲜的水果和蔬菜，并将它们切碎，以便适量寄送。 切割和剥皮水果和蔬菜可以让您的孩子在短暂的进食时间内更快、更轻松地进行。
7. 让您的孩子帮忙用健康食品包装零食/午餐。
8. 仅携带孩子能吃的食物。
