## **Aldergrove Public School Community Newsletter**

### **November 29, 2024, Vol.7**

#### **Message from the Office**

These past few weeks have been filled with opportunities to connect. What a pleasure it was for staff to connect and build partnerships with families on Parent-Teacher Night. Many educators shared excitement about getting to know who their scholars are through the lens of their families. As well, it was time to pause, take a breath and reflect on the learning that continues to take place in the building and the many successes experienced both individually and collaboratively.

We are looking forward to an Aldergrove tradition, the Gingerbread Workshop on Thursday, December 5, 2024, from 3:30-6:30 pm. This will be an excellent opportunity for school and home to come together and share experiences. Purchase your kit [here](#).

Many thanks for the continued partnerships and conversations over these past few weeks. We look forward to more opportunities to connect and grow together.

Thank you for your continued partnership.

## Elementary School Dental Screening Program

York Region Public Health has resumed the dental screening program in schools. Public health staff will begin visiting Aldergrove on January 13 and 14 2025. A letter will be distributed to families closer to the time of screening.

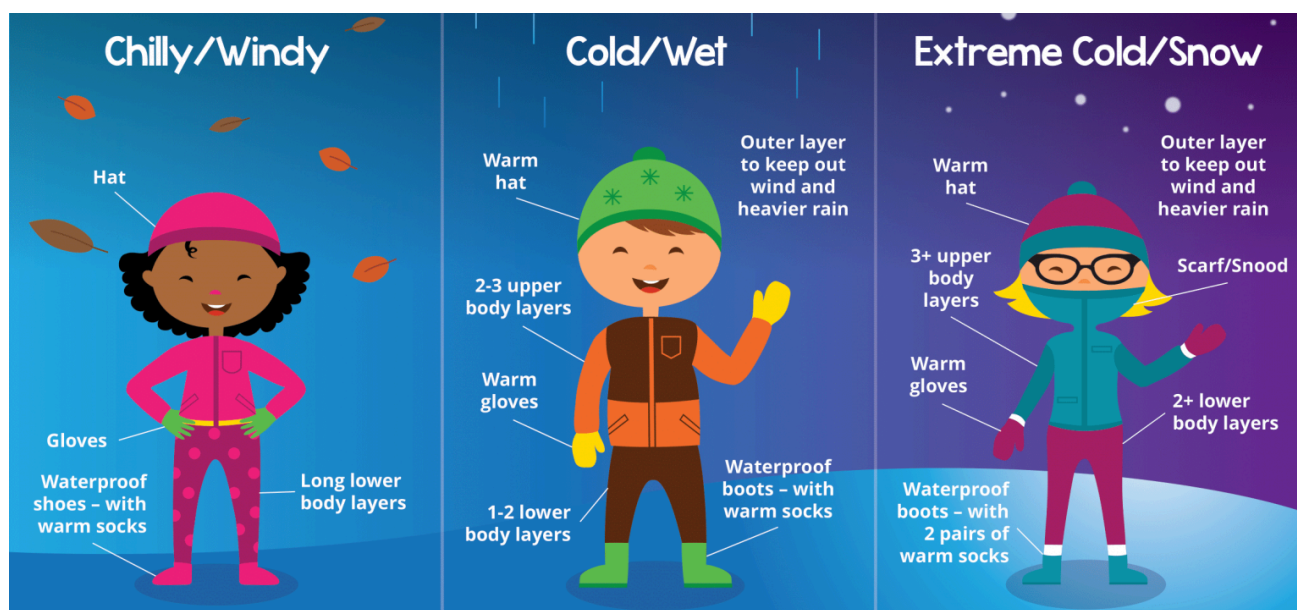

## Gifted Screening

A letter was sent home regarding dates and steps for the process. Please connect with the office for further information. If you did not receive an update for your Grade 3 scholar, please reach out to the office for further information.

## Cold Weather is Here!

This is a reminder that all scholars are expected to go outside for recess. Please ensure that your child/ren are dressed appropriately for winter weather. A change of clothes would be helpful for primary children should they get wet during the day. Please make sure all clothing items are labeled with your child's name. Our "Lost and Found" bin gets filled up quickly and belongings often go unclaimed. Please make sure your child has a pair of indoor shoes for school.

## YRDSB Family Dashboard

YRDSB is excited to launch our new **Family Dashboard**. The dashboard will give you secure one-stop access to information and applications related to your child's education. It is designed to make it easier for families to engage with their child's education. In this first phase, the dashboard will include secure access to report cards when they are distributed and links to useful information for parents/guardians.

### Important notes before setting up your account:

- If you wish to use a different email, please contact the school to update your email on file

before creating your account. YRDSB email addresses (@[yrdsb.ca](mailto:yrdsb@yrdsb.ca), @[gapps.yrdsb.ca](mailto:gapps.yrdsb.ca)) will not be accepted.

- Each account must have a unique email address, if you have a shared family address that is being used by more than one contact, you will only be able to set up one account. If you would like to set up individual accounts for access, one of the contacts will need to contact the school and update their email address on file with the school.
- As long as your email on file is the same for all your children, when you sign in to the Family Dashboard, you should see all of your children.
- Passwords are required to be a minimum of eight characters and a maximum of 256 characters. Requires three out of four of the following types of characters: lowercase characters; uppercase characters, numbers (0-9); symbols..
- Display Name refers to the parent/guardian who is creating the account. This does not have to match the name in our system.
- If you are not sure of your child's student number, it is your child's student login for Google Classroom.
- You only need information for one student to create your account. Once created, as long as your email on file is the same for all your children, when you sign in to the Family Dashboard, you should see all of your children.
- Once you have set up your account, you can access the dashboard using [family.yrdsb.ca](https://family.yrdsb.ca) or under [Family Resources](#), which can be found on the homepage from the Board website or school websites.
- If you forget your password – from the login screen, select the forgot password in order to create a new password.

### Setting up your account

- Visit [family.yrdsb.ca](https://family.yrdsb.ca) to set up your account.
- Click “No account? Create one” under the email.
- Enter this email address into the email field and click the Next Button.
- Check your email, you will receive an email with a one-time code that expires within 30 minutes in order to confirm your identity.
- Return to the account creation screen and enter this code.
- Once your email has been validated you will be asked to create a password, enter a Display Name (parent/guardian name) and enter the following information about your child or one of your children for further verification:

## Message from Our Trustee

December 2024

As we approach the winter break, I am happy to share a few updates from the Board of Trustees and to wish you all the very best for the approaching break and holiday season.

### Multi-Year Strategic Plan

In October, we launched our new Multi-Year Strategic Plan: Building Unity, Achieving Excellence. The plan sets out three priorities that will guide our direction and decision-making as a school board: student achievement, health and well-being, and human rights and inclusive education. It was developed by the Board of Trustees based on feedback received from the community, and we are grateful to everyone who shared their input. It was important to Trustees to ensure that this is a plan that serves the needs of our students and community. I invite you to [learn more about this plan](#).

## Family Engagement

Earlier in the fall, we hosted a series of school council forums, bringing together school council representatives for an evening of shared learning and discussion. It was a wonderful opportunity to recognize the important role school councils play in our system and to connect with families. Thank you to all of the family members who are supporting the work of our school councils, volunteering in schools, attending events and meetings, sharing information and getting involved in any way to support and strengthen our schools and school communities.

Some families have asked for tips on encouraging their children to share more information about their school day. Here are [some tips](#) that I hope you find helpful.

As part of our ongoing commitment to working in partnership with families to support your child's education, we also recently introduced the Family Dashboard. The dashboard will offer you secure, one-stop access to information and applications related to your child's education. If you have not yet signed up, you can find more [information on the Board website](#).

## Happy Holiday Season and Winter Break

For many in our community, this time of year includes significant dates and celebrations. For those who are celebrating, I wish you a happy and joyous celebration. It is also a valuable time to connect with family and friends, as well as to rest and recharge. I wish you all a safe and enjoyable winter break and we look forward to welcoming you back in January.

Jenny Chen, Trustee, Markham Wards 1 and 8

作为我们与家庭合作支持您孩子教育的持续承诺的一部分，我们最近还推出了家庭仪表板。仪表板将为您提供安全的一站式访问与您孩子的教育相关的信息和应用程序。如果您尚未注册，您可以在董事会网站上找到[更多信息](#)。
