

INTERNATIONAL BACCALAUREATE PROGRAMME INFORMATION PRESENTATION

Land Acknowledgement

As guests on Turtle Island, we would like to start by acknowledging that we are connecting today from land that has been shared with us so that we may work and learn together in service of the students who attend or will attend our schools.

We affirm that we are all treaty people and acknowledge that the York Region District School Board is located on the lands of two treaties. These treaties are signed with the Mississaugas of the Credit First Nation and the First Nations of the Williams Treaties who are: the Mississaugas of Alderville, Curve Lake, Hiawatha, Scugog Island; and the Chippewas of Beausoleil, Rama, and Georgina Island our closest neighbour and partner in education.

To honour this agreement we will take up our responsibility to be respectful of their traditions, knowledge and inherent rights as sovereign nations. We will respect their relationship with these lands and recognize that our connection to this land is through the continued relationship with these First Nations, and we acknowledge our shared responsibility to respect and care for the land and waters for future generations.

- The Personal Portfolio is an opportunity for students to tell us about themselves

- For each artifact students should, in 75 words or less:
 - **explain what they have learned about themselves from the experience and explain how they can apply this learning in the future**

Personal Portfolio: Artifacts

For the purpose of this task, an artifact is a visual or graphic representation of an experience.

Examples of experiences may include:

- a life event
- a trip you have taken
- a community event
- a personal accomplishment
- participation in an activity
- involvement in the creation of something
- the practice of a tradition
- a responsibility you have taken

Personal Portfolio: Purpose

- The portfolio provides an opportunity for applicants to share something about themselves
- When you are deciding what to include, select experiences/artifacts that are meaningful to **YOU**
- This is a **PERSONAL** Portfolio
 - We are hoping to learn about the applicant
 - To help us do this we encourage students to work independently, and honestly

Personal Portfolio Next Steps

- For now, students can think about what experiences they would like to include, and how they might want to represent them as artifacts
- Information about submitting the Portfolio will be sent to the student's email address **after 4:00 p.m. on Tuesday November 8, 2022**
