School Update

Greetings AMHS Families,

We hope everyone has had a great week. Midterm report cards will be coming next week, and if you have any questions about your child's progress, please reach out to their classroom teachers!

Have a wonderful weekend!

School Council Spring Fundraiser

As spring approaches, why not cultivate your own garden and enjoy organic produce all season long? Join us in supporting our school-wide student activities by purchasing seeds from Limitless Growth. Not only will you be contributing to our school community, but you'll also have the chance to embrace a sustainable lifestyle.

Please consider purchasing items through the following link:

Let's grow together!

Grad Updates

- Please note that if your child is graduating, the Grad Fee is now live on School Cash Online. This Fee is required to take part in the Graduation Ceremony in June. This fee covers the facility rental, souvenir cap and gown and refreshments after the ceremony, and two tickets to the ceremony.
- Many graduates have yet to submit their volunteer hours. This is a requirement for graduation. Students must complete 40 hours. Please speak to your student to find out if this is complete, and if not, please encourage them to do so soon (March break is a great opportunity). If you have any questions about volunteer hours, please reach out to the Guidance department.
