LATE ARRIVALS

We would request that your child(ren) arrive at the school by **7:45 a.m.** to ensure that they can enter class at the bell and are not late for school in the morning. Our entry bell is at **7:55 a.m.** We would ask that students enter the school at their designated entry/exit doors and not through the main entrance of the school. We begin announcements and learning at 8:00 a.m. Your child(ren) are considered late if they are not in class by the start of Oh Canada. We appreciate your help in getting your child(ren) to school on time in the morning. Much appreciated.

REMINDER

Parent/Guardian Input Regarding September Class Placements

Parent input that is received via the [Class Placement Input FORM](#) by **Friday, MAY 12th, 2017** will be considered (and shared) during placement meetings. We do not accept specific teacher requests. Input after **May 12th** may not be considered due to the complexity of the task. Please be advised that while such input is valued, it cannot drive class placement decisions since school-wide limitations and a variety of other factors will, at times, take precedence. Final decisions regarding student placements remain the responsibility of the Principal and the school staff. Ministry mandates on class size will impact

class placements into September. As a result, we will regretfully **be unable to share class placement information with families until just**
