## Hallowe'en Costumes

Costumes should be respectful of others. For example, if something is representative of a person's culture or religious beliefs, then it should not be worn as another person's costume. Please remember, **no knives, swords, guns** or other costume items that may be interpreted as a weapons are permitted at school. These items are to be left at home. We also remind you to not bring makeup to school as we do not have excess time or a suitable location for application. If you wish to have makeup on, it will need to be applied prior to coming to school. A short (10 minute) kindergarten costume parade will begin at 1:15 p.m. on October 31st on the bottom floor only. Families are welcome to watch after signing in at the office. We thank you for your support and cooperation. Feel free to contact the school if you have any questions or concerns.
