Anne Frank Forward

Dear Families:

Our first year at Anne Frank P.S. was filled with exciting memories. We have accomplished so much in such a short time! Amazing!

Did you know that there are over 266 schools around the world named after Anne Frank, but **ours is the first to be named after Anne Frank in Canada**!

Anne Frank (June 12, 1929 - March 1945) was a German-Jewish teenager who was forced to go into hiding during the Holocaust. After being betrayed to the Nazis, Anne, her family, and others living with them were arrested and deported to Nazi concentration camps. In March of 1945, nine months after she was arrested, Anne died of typhus at Bergen-Belsen. She was fifteen years old.

Anne's diary, saved during the war by one of the family's helpers, Miep Gies, was first published in 1947. Today, her diary has been translated into 67 languages and is one of the most widely read books in the world.

Choosing the name Anne Frank School is not without obligations. 'A school bearing the name Anne Frank obliges itself to stand up for freedom, justice, tolerance and human dignity and to resolutely turn against any form of aggression, discrimination, racism, political extremism and excessive nationalism.'

As an Anne Frank School we have two important responsibilities: keeping the memory of Anne Frank's story alive, and stimulating students to think about issues such as freedom, diversity and mutual respect.

The five basic principles of Anne Frank Schools:

- Students and teachers act in the spirit of Anne's ideals. They interact with each other on a basis of equality and justice, and show mutual respect.
- 2. Anne Frank Schools set aside time in their timetables to discuss the Second World War, the Holocaust, present-day forms of discrimination and xenophobia (fear of the unknown), and themes such as freedom, diversity and mutual respect.
- 3. Teachers encourage students to read Anne Frank's Diary.
- 4. To spread Anne's thoughts in and around the school, Anne Frank Schools organise activities around the above themes.
- 5. Anne Frank Schools participate in the network of Anne Frank Schools. Via, for example, the website they exchange information and ideas.

This year we worked on developing our "school song". A school song is a way of expressing the school's vision and way of thinking, feeling, acting and interacting with one another. We believe that these ideas will help foster a community of learners who are inquisitive, innovative, responsible, respectful, and high achieving global citizens.

Anne Frank P.S. School Song

Spoken Word: Chorus: Bridge: Rap: We were named after a hero, We show everyone the good side of life 'Cause we can play our own stories Just an average teenage girl We love everyone for who they are and you're the one who can change it She never gave up and neither will we She had a mind, we've got it Let the past be remembered, don't re-arrange it Her spirit of hope, fills our school everyday She had a heart, we've got it Keep the memories for us all We're building from zero to become heroes We are the World, We are the love With her words in our life, we're gonna change the We are the light in your heart Chant world Live like a lion, walk with pride Verse 2: Verse 1: See the world in all its beauty Live like a lion, head up high When the world says no, Say I'm not afraid Open your eyes, so you can see Live like a lion, walk with pride When the World goes dark, we will guide the way The world as it should be Live like a lion, eyes to the sky Our dreams are treasures that will come alive, words Start building from nothing Keep her spirit, keep it alive. can change but our hearts won't lie Open the doors to be free Final Chorus: Pre-Chorus: We show everyone the good side of life Live life to the fullest, with your hopes held up high **Pre-Chorus** We love everyone for who they are Ya, you can love, can't put this love on a shelf She had a mind, we've got it Ya, you can love, you gotta be yourself Chorus She had a heart, we've got it We are the World, We are the love We are the light in your heart We are the light in your heart We are the light in your heart

A MESSAGE FROM OUR TRUSTEE, LINDA AVERSA...

As the 2014-15 school year winds down, I would like to take this opportunity to recognize our parents and guardians for their ongoing support of our students throughout the year. We know that parents are our most important partners when it comes to educating your children. Good schools become better schools when they are connected with parents and families.

During the year, I hope you have had the opportunity to enjoy some of the many student performances, sporting events and cultural celebrations that take place in schools across our region. These events would not take place without the support of our school staff. I would like to thank the staff for their work to support student achievement and well-being.

Summer is a great time to relax and pursue hobbies or activities that complement the learning that took place over the school year. Whether you visit a museum, enjoy nature or just catch up on some summer reading, I wish you and your family a safe and enjoyable summer.

It has been an incredible journey this year learning and growing together at Anne Frank P.S. The Eco Team has been working very hard on many initiatives this year. To highlight some, we started our school with water fountains that have a refillable station included for water bottles. The Eco students have been educating their peers about the proper uses of garbage and recycling, and we even planted a Maple Tree next to our outdoor classroom for added shade. It has been a successful year and we are proud at announce that Anne Frank P.S. achieved SILVER status this year!! Way to go everyone of such an amazing certification in just our first year! We can't wait until next when we do even more eco initiatives and try for GOLD!

Thank you to all staff, students and the community for your ongoing support!!

The Eco Team
