## A Message from Administration

Dear Families,

On April 26<sup>th</sup>, we marked **Administrative Assistants' Day** and we want to take this opportunity to thank **Mrs. Infanti** (Elementary Office Admin Assistant – EOAA) and **Mrs. Bicic** (Secretary A) for all that they do at our school. Our office staff work very hard and support student achievement and well-being in many ways, including:

- Working with our students, staff and community,
- Greeting visitors to our school,
- Managing our school's phone lines,
- Managing our student information system,
- Monitoring and completing month end enrollment and Ministry statistical reports,
- Overseeing student attendance and safe arrivals program,
- School year opening and closing,
- Purchase requisitions and overseeing our school budget,
- Working with our School Assistants,
- Logging and tracking student medication,

...and this is only a short list. With still a fairly new school in Year 3, the responsibilities and duties increase even more so. A school office is always a busy place and our office staff are very important members of our school team. Please help me in thanking our Administrative Assistants for their work at our school.

As we enter May, we are reminded that the school year is quickly coming to a close and yet there is so much more work to be done! Warmer weather has arrived, along with more adventurous outdoor play and more excitement as learning starts to focus on the changing seasons and some end-of-the-year activities.

We are happy to share that our field is finally open and our students are thrilled to have the extra play space. We ask that our community be respectful of our field play area and not use it as a dog park. Dogs are not allowed on our field. Your help and support reinforcing this expectation is much appreciated.

### A quick note about EQAO:

Families, please remember that from May 23<sup>rd</sup> to June 5<sup>th</sup>, Grade 3 and 6 students will be taking part in the provincial Assessment of Reading, Writing and Mathematics, Primary Division (Grades 1–3) or Junior Division (Grade 4-6), created by the Education Quality and Accountability Office (EQAO). This assessment is administered to all Grade 3 and Grade 6 students in Ontario's publicly funded school system. Please do not plan to have your child out of school during this time period. Please plan appointments at other times/dates.

We would also like to take the time to say a special thank you to the volunteers at Anne Frank P.S. We truly appreciate the time and talents you share with us, and we look forward to seeing you at the **Volunteer Appreciation Breakfast on June 16<sup>th</sup> at 8:30 a.m.!**

Finally we thank the amazing staff at Anne Frank P.S. for making the school such an incredible place to work and learn in. Your care, compassion, professionalism and dedication to servicing our students and our community are valued and appreciated by all. We look forward to continuing the journey into year 4 with you all.

Warm regards,

## SCHOOL MUSICAL !

We are so excited to share with you that the presentation of our first school musical, *Pitch Perfect*, will be taking place on **Wednesday, May 10th**, at 6:00 p.m. in our school gymnasium. *Pitch Perfect* is a modern-day musical about a group of teenagers who are inspired by music, creativity, and by each other. Beca, a freshman at Barden University, is cajoled into joining The Bellas, her school's all-girls singing group. Injecting some much needed energy into their repertoire, The Bellas take on their male rivals, the Trebles, in a campus competition. What unfolds is a hilariously funny musical about friendships, competition, and some truly talented teenagers!

We would love to have our students, families, and community members join us for this entertaining evening to support our students. The show will run for approximately one hour, and doors will open at 5:45 p.m.. Hope to see you there!

## Family Wellness Night

On Wednesday April 26<sup>th</sup>, Anne Frank hosted their First Family Wellness Night! Over 70 families pre-registered for this event.

It was wonderful to see families participating in various wellness and health activities such as yoga, drumming, wellness for art, healthy lunches, smoothies, relaxation and mediation, physical fitness, and Karate. The energy in the building was vibrant and this event united the community together in such a positive way.

Congratulations to our Wonderland Season Pass Winners!

Our sincere appreciations to the community partners for participating in our event and for working together alongside us.

Please provide us your feedback, as we will be taking this into consideration when planning next year's wellness night.

Thank you to all those who attended our wellness night and for making it such a huge success!

In the 2017/18 school year, York Region Public Health will visit all elementary schools to provide school immunization clinics to **Grade 7** students. The clinics offer vaccines for Hepatitis B, Human Papilloma Virus (HPV) and Meningococcal A, C, Y, W-135 at no cost.

Under the Immunization of School Pupils Act, meningococcal vaccine is required for school attendance, unless an exemption is filed with public health. Hepatitis B and HPV vaccines are recommended, but not required for school attendance.

Parents of students entering Grade 7 in fall 2017 will receive consent forms in the mail in June. Please complete the consent form and return it to York Region Public Health to allow your child to participate in the immunization clinics. Detailed instructions can be found on the forms and accompanying letter. If the consent form is not completed, your child will not be able to receive vaccines at the clinic.

Parents and guardians who do not consent should still complete the forms and return them, indicating that you do not authorize York Region Public Health to immunize your child.

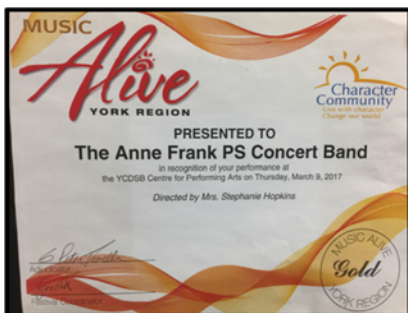

Visit [york.ca/immunizations](http://york.ca/immunizations) and click on School Immunization Clinics for more information.

Did you know? If your child has missed a required vaccination on Ontario's routine immunization schedule, he/she can receive the vaccine at one of York Region Public Health's Community Immunization Clinics. These evening clinics are offered throughout the summer, giving students the opportunity to catch up before returning to school. Visit [york.ca/immunizations](http://york.ca/immunizations) and select Community Immunization Clinics to learn more.

## Music Alive

Congratulations to the Band for receiving a GOLD award at Music Alive on March 9<sup>th</sup>. Music Alive is an event where schools from all over the region play for each other and an adjudicator.

Thank you to the thirty students who participated with Mrs. Hopkins and Mrs. Pathak and positively represented our school. We are very proud of you!

## “Anne Frank - A History For Today” Exhibit “

Vaughan Public Libraries is excited to be the host of the “Anne Frank - A History For Today” Exhibit at our Dufferin Clark branch from July 3 to September 2.

“Anne Frank - A History For Today” is a unique photographic exhibit loaned by The Anne Frank House in the Netherlands (Anne Frank Stichting), in conjunction with Veterans Affairs Canada.

Anne Frank was born in 1929 in Germany and moved with her family to the Netherlands to escape growing anti-Semitism. After the Nazis invaded the Netherlands she and her family hid in the Secret Annex where Anne kept a diary of her time there. The family was discovered in 1944 and sent to concentration camps where Anne died at Bergen-Belsen in 1945, aged only fifteen. Only her father survived and was given Anne’s diary by a friend, Miep Gies, who had helped them while they were in hiding. The diary was first published in 1947, seventy years ago, and Anne became the face of the six million Jews who were murdered in the Holocaust.

Guided tours will be given on the following dates:

Mondays - 11:00 am - 2:00 pm  
Tuesday and Wednesdays - 6:00 pm - 9:00 pm  
Thursdays - 2:00 pm - 5:00 pm  
Saturdays - 11:00 am - 5:00 pm  
Sundays - 2:00 pm - 5:00 pm

There will also be two programs held in conjunction with this exhibit:

“Holocaust And Genocide – A History” on Sunday, July 23, 2:00 pm - 3:00 pm  
“Holocaust Survivor’s Personal Testimony” on Thursday, August 17, 7:00 pm - 8:00 pm

## York Region Character Community Awards

On April 26<sup>th</sup> several of our students were recognized at the York Region Character Community Awards Ceremony for their work with the Anne Frank Exhibit that came to our school in February. Although not all of them could attend this event, they will all be presented with a certificate and medal at our May Lions Pride Assembly. Thank you Anne Frank Exhibit Student Ambassadors for your commitment to sharing Anne’s story and promoting tolerance and human rights.

## School Council Update – Carly Cohen (School Council Co-Chair)

Dear Families of the Anne Frank Community,

Thank you so much for your support of our school and of the upcoming Fun Fair!

On April 26th, many of you visited our school for the Family Wellness Evening and may have come across the wonderful poster that one of our School Council Parents created to help share some of the ways our school uses the money which was fundraised this year:

It is with the support of our families that we can offer incredible enhancements to regular Ministry funded school programming:

- Did you know that the school board matched fundraised \$6250.00 and we were able to purchase \$12,500.00 worth of technology for our students this year?
- Did you know that some of the levelled readers cost about \$500.00 a set?
- Did you know that your funds covered the cost of two school wide lice checks this year?
- Our school community recognizes the many mental health needs of students in our school. Anxiety, social conflict and family issues, have a direct effect on how students perform at school. Did you know that this year school raised funds were able to cover the \$8000.00 cost of having additional ½ day a week outreach social work support for the year? Our Outreach School Social Worker services about 20 students for individual counselling as well as working with many groups and classrooms on issues of bullying, social conflict, racism, respect, etc.
- At AFPS we recognize that students learn in different ways and having environmental supports such as standing desks and wobble stools make a difference! We were able to fund the purchase of these important supports for our students.
- Did you know that we received a \$1000.00 PRO Grant from the Ministry of Education this year based on a proposal we submitted last year?
- Did you know that we received a \$10,000.00 Outdoor Learning Grant from TD thanks to a proposal that school council members and AFPS staff put together?

These are just some examples of where your money goes to when you choose to support school fundraisers. So far this year, we fundraised over \$40,000 to add incredibly important enhancements to our school! Our school wouldn't be the same without this important support!

School Council parents volunteer their time to build these dreams and it is a lot of hard work. We appreciate their leadership, time, effort and support!

### Coming up... Fun Fair!

Did you know that last year we had an extra fundraiser - Bog Box Cards? This year we chose not to do the extra fundraiser and instead added \$2 to the wristbands of the fun fair with plans to further enhance the experience for our students and the community.

The Fun Fair is a fundraiser for us and 100% of the money goes right back to your children.

Different schools in the area may plan the fun fair in different ways to meet the needs of their school and to reflect the needs of the community. Some schools choose to offer the Fun Fair for free but charge \$10-25 for food, some charge \$8 a card and the card is only good for each ride once, some are just designed as a community event and engagement because they hold other successful fundraisers during the school year so they choose to offer the end of year Fun Fair for free. Although human instinct is to compare ourselves with other schools, we need to keep in mind that we are still a fairly new school building and our needs are different. As a school council, we strive to enhance the educational experience for our students and sometimes there's a cost attached to that. Part of our mandate and goal is to raise funds for our school.

We have had free events that we have also funded throughout the year. Our beautiful Wellness night brought the community together. What would it have cost if you paid for the Energy Karate class? Our Alyson Schafer talk was a powerful evening of wonderful strategies. She charges \$150/hour for personal consultation and the event was free to all parents in the community. We value community engagement and are proud to provide these events to help build growth and understanding of school and board areas of foci as well as of our community.

## School Council Update – Carly Cohen (School Council Co-Chair)

We are so excited with the amazing work that has been achieved by the parent council coupled with the special team of educators and administrators at Anne Frank Public School. Being part of this engaging school has enriched the lives of our children on a daily basis. They thrive because of the care and commitment of the educational team at our unique and vibrant school.

If you are interested in making a difference for your child's school, please *join our team*. School councils work together to discover and create innovative ways of engaging the community and providing students with enhancements to programs, resources and supports. Working together we can ensure a high quality of education for our children and a system that is accountable.

Family engagement goes well beyond fundraising to top off publicly funded resources and supports. It includes engaging families in the school experience by aligning council goals and priorities with those of the school. All decisions are made with this in mind. At Anne Frank P.S. all fundraiser monies have gone to support the school improvement plan in the categories of Math, Modern Learning and Mental Health.

Thank you for your continued support in building our precious school. We are proud of our achievements and will continue to work hard to make all our goals a reality.

# School Council Update – Carly Cohen (School Council Co-Chair)

We also looked at costs of other forms of entertainment that most families partake in as a guide. Luv2play, the new gym, for example, is \$17 plus tax and nothing gets purchased for your child's benefit. Think of the \$17 as a gift to your child whether we buy a chrome book that they use, or a smart board for the classroom use, to better access the curriculum. If you went to the movies, each child would be \$15 and each adult \$18. At the Fun Fair adults are free and the money raised will directly benefit your children.

We chose not to do fundraisers like chocolate sales or popcorn sales as we felt it would put pressure on hard working parents such as yourselves and that the Fun Fair could be a time when families were raising money while enjoying each other's company.

In the big picture, we spend very little in comparison to what our children get in Public Education. We want to build a great school and each year we will have two-three large fundraisers that can continue allowing the educators and students to DREAM BIG and get the most incredible education imaginable.

If money is tight, please feel free to bring a picnic and not participate in the BBQ. Also the extra ticket is for the climbing wall and your child can opt out of this as well.

We are all here for the children and creating a fun event that celebrates the great support and dedication of our families and educators at Anne Frank Public School.

Thanks again for supporting Anne Frank Public School. We look forward to seeing you all at the Fun Fair to celebrate another wonderful year full of successes.

If you have any questions and/or feedback, please **join us at our May 8<sup>th</sup> Coffee & Chat at 6:30 p.m. – 7:00 p.m.** and share your ideas directly with school administration and school council members. You're welcome to stay for the council meeting as well (7:00-8:30p.m.). Your voice is always appreciated and welcomed!

Sincerely yours,

School Council, 2016-2017

## Grade 7 & 8 Summer School

March 1, 2017

Dear Parents/Guardians:

Once again this summer, the York Region District School Board is offering a summer school program for **current year Grade 7 and Grade 8 students**. Under the YRDSB Summer Learning Strategy, this program is designed to provide students with a dynamic and engaging learning experience. Through an Arts integrated, inquiry based model, students will be given an opportunity to develop their literacy and math skills. Students must be committed to achieving their best, modeling good behaviour and attending for the entire length of the program.

Your child's homeroom teacher has recognized your child as someone who may benefit from attending this summer school program. Please speak to your child's teacher to assist you with the selection of one of the following three programs:

Grade 7 & 8 reinforcement program	7RegEngMth	8RegEngMth
Grade 7 & 8 program for students with an Individual Education Plan (IEP)	7IEPEngMth	8IEPEngMth
Grade 7 & 8 program for English Language Learners	7EngLang	8EngLang

Bussing will be provided from a selected area school. **A bus schedule will be distributed to each student in mid June.**

**All registrations are completed on-line using Career Cruising. If you support your child's teacher's recommendation to attend summer school, please complete the registration process online.**

**Registration deadline is June 2, 2017.** If you do not have a computer at home, please speak with your school's Principal to arrange a time for your child to register on-line at school.
