September News!

Dear Families,

We wanted to take the time to thank all our families for their support as our school went through a reorganization of classes in September. Due to the Ministry of Education's mandatory cap on class sizes in the primary division and required class averages in the junior division our school was required to redistribute students. The reorganization involved a number of students in the primary and junior classes. Our teachers were consulted by the school administration to create a well balanced composition of students in each class.

Last Wednesday, we hosted our BBQ and Curriculum Night. It was wonderful to see so many families outside in the school yard at the BBQ and sessions hosted by our teachers. We thank the community for supporting learning at our school. Staff shared that both sessions they hosted for families were well attended. Thank you to everyone for taking the time to meet to hear information about the programs being delivered to our students.

As our student population continues to grow so does our staff. We are very fortunate to have Mrs. Patricia Kitagawa assigned to our school half time as a School Administrator Support. Some families may remember Mrs. Kitagawa when Anne Frank Public School opened helped open our school 3 years ago. Mrs. Kitagawa will be assigned to Woodland Public School when she is not at Anne Frank Public School. Welcome back To Anne Frank Public School Ms. Kitagawa!

Elizabeth Lau, Principal and Doug Chester, Vice-Principal

Worry Less in 3 Steps

Everybody worries. Grown-ups do it and kids do it, too. But what should you do about it? Whether your worries are big or small, you can take these 3 steps:

1. Try to figure out what you're worried about.
2. Think about ways to make the situation better.
3. Ask for help.

AFPS School Song**Spoken Word**

We were named after a hero,

Just an average teenage girl
 She never gave up and neither will we
 Her spirit of hope, fills our school everyday
 We're building from zero to become heroes
 With her words in our life, we're gonna change the world

Verse 1

When the world says no, Say I'm not afraid

When the World goes dark, we will guide the way
 Our dreams are treasures that will come alive, words can change but our hearts won't lie

Pre-Chorus

Live life to the fullest, with your hopes held up high

Ya, you can love, can't put this love on a shelf
 Ya, you can love, you gotta be yourself

Chorus

We show everyone the good side of life

We love everyone for who they are
 She had a mind, we've got it
 She had a heart, we've got it
 We are the World, We are the love
 We are the light in your heart

Verse 2

See the world in all its beauty

Open your eyes, so you can see
 The world as it should be
 Start building from nothing
 Open the doors to be free

Pre-Chorus

Live life to the fullest, with your hopes held up high

Ya, you can love, can't put this love on a shelf
 Ya, you can love, you gotta be yourself

Chorus

We show everyone the good side of life

We love everyone for who they are
 She had a mind, we've got it
 She had a heart, we've got it
 We are the World, We are the love
 We are the light in your heart

Bridge: Rap

'Cause we can play our own stories and you're the

one who can change it
 Let the past be remembered, don't re-arrange it
 Keep the memories for us all

Chant

Live like a lion, walk with pride

Live like a lion, head up high
 Live like a lion, walk with pride
 Live like a lion, eyes to the sky
 Keep her spirit, keep it alive.

Chorus

We show everyone the good side of life

We love everyone for who they are
 She had a mind, we've got it
 She had a heart, we've got it
 We are the World, We are the love
 We are the light in your heart

We are the light in your heart
 We are the light in your heart

According to YRDSB policy 340, in order to be effective, homework types vary depending on the student, the nature of the learning and the timing within the teaching-learning cycle. The quality of homework is more important than the quantity.

- Pre-learning homework introduces an upcoming topic of study. Pre-learning can stimulate interest, activate prior knowledge or determine readiness.
- Checking for understanding homework uses strategic questions to assess current levels of understanding and helps teachers determine next steps for instruction.
- Practice homework provides the opportunity to rehearse and reinforce what has been learned in class and requires a genuine understanding of the skill or concept.
- Study homework is time spent reviewing material taught in class to consolidate understanding and/or prepare for upcoming assessment.
- Completion homework is work not completed during class time.

Student Medication

If your child requires medication in school, please bring the original container to the office labelled with your child's name and the correct dosage. Medication can be administered by school staff once a parent completes a Board form, "Staff Administration of Medication." These can be obtained through the school's office.

Absences/Lates

Reporting your child absent or late by the following easy methods:

Call into the automated interactive telephone system (1-855-203-2994) through which absences can be reported.

Log into the website, yorkrdsb.schoolconnects.com

Parents/Guardians who have authenticated their accounts and have either an iOS or Android device can download an app that can be used to report absences.

Please remember to report your child late or absent before 9:10 a.m. in order to avoid the automated attendance phone calls that will follow.

Ready for Success Tutoring Program

Free math and English tutoring program for students in grades 1 to 6.
Every Tuesday starting October 17, 2017
 Grades 1 to 3: 3:30pm-4:30pm
 Grades 4 to 6: 4:45pm-5:45pm

INFORMATION ABOUT THE PROGRAM: Tutoring and program activities are provided by York University's Teacher Candidates and VCHC staff. Handwashing

Children share many items throughout the school day and at home including books, puzzles, computers, water bottles and sports equipment. Sharing can spread germs that can cause sickness, especially during cold and flu season. Correct handwashing is the best way to prevent the spread of infection.

To help keep the people in your home healthy, follow these simple steps:

- Encourage children to sneeze into the bend of their arm rather than into their hands
- Make time for handwashing, especially before eating, after using the bathroom, blowing your nose, sneezing, handling garbage, touching animals, playing outdoors or visiting someone who is sick
- Wash your hands whenever they look or feel dirty

Together we can make the healthy choice the easy one!

For more information about preventing infections and proper handwashing, visit york.ca/preventinginfections

This material is provided by York Region Public Health.

Anne Frank School Council

Our first School Council Meeting is scheduled for October 4th. Parents/Guardians are invited to join us for coffee from 6:30-7 pm and our meeting will run from 7-8 pm in the library.

If you are interested in being a part of the School Council this school year, please join us at this first meeting as we will be holding our School Council Elections that evening.

Helpful Hints

5 Ways to Encourage Your Child to Read

Read Aloud

Reading aloud to your child from infancy onward will help them fall in love with stories.

Expand Your Definition of Reading

Magazines, comic books, baseball cards, newspapers, graphic novels, websites, joke collections — it all counts as reading.

Pair Books with Activities

Boys who prefer active learning to quiet contemplation may enjoy making their books come to life.

Get Caught Reading

Most children pay more attention to what we do than to what we say, so let them catch you reading.

Let Children Choose

All kids like control, and many of them don't get enough of it. We decide what they eat for dinner, when they go to bed and where they can play. Independent reading is an excellent area for your child to control, even if they choose books you think are above or below his reading level.
