Sports & Teams	<p>Wednesday was the OFSSA qualifiers for our Ski Racing team. The team faced the wind and cold temperatures at Georgian Peaks with a hectic schedule that saw them race one Giant Slalom run and one Slalom run on opposite sides of the hill. As we've seen all season, the athletes came out today and gave it everything they had! This was a very important race and we are pleased to say that all 4 divisions have qualified for OFSAA!!!! Every single athlete contributed. A special shout out to Amanda Arteaga who was icing her injured ankle in order to get into her ski boot. We needed her to do her runs so that the Girls Open team could earn a spot for OFSAA and they did! Great team playing.</p> <p>For yesterday's race they added combined times from the 2 runs and awarded the top 3 racers in each division. We had many with personal bests. We would like to acknowledge and congratulate our podium placements from Aurora High</p> <p>Girls Open: 1st - Rachel Wiley</p> <p>Girls HS: 3rd - Kaitlyn Poncelet</p> <p>Boys Open 2nd - Caleb Niro 3rd - Matthew Toth</p> <p>Boys HS: 1st - Max Reeves 2nd - Calum Ormond 3rd - Colin Lash</p> <p>Thanks to our amazing teachers Mr. Gould and Ms. Vig and head coaches Mr. Henoud and Ms. Rowland.</p> <p>Snowboarders we wish you good luck for next Wednesday.</p> <p>Best regards,</p> <p>Kerri, Joanne and Mark Alpine Racing Team Parent Committee</p>
