Arts, Culture, Clubs	Hey Eagles! It's Women's Week at AHS. Today we recognize the influence that women throughout history have had on politics. We recognize the Famous 5, whose activism gave women the right to be named to the Senate in 1929, and who were posthumously named as honorary senators in 2009. We recognize Kathleen Wynne, the first female premier of Ontario and the first openly LGBTQ premier in Canada. We recognize Nellie Cournoyea, the first female premier of a territory and the first Indigenous woman to serve as a first minister. We especially recognize all of the current and aspiring female politicians in Canada and around the world. Happy Women's Week!
