

Reading a Credit Counselling Summary

The following information will assist you in reading your Credit Counselling Summary (CCS).

Completed Courses

- The left side of the CCS lists compulsory credits.
- The right side of the CCS lists elective credits.
- Courses with an “F” at the end of the code signifies a French Immersion course.
- Please review the courses to verify all completed courses (including night school and summer school) are listed.
- A summer school course is only noted by the completion date.
- This is a full disclosure document; therefore, passed, failed, repeated (R) and withdrawn (W) courses are listed.

Current Year at Other Schools

- If you are taking a semester 2 course at another YRDSB school (eLearning, night or day school), it will be listed here.
- All semester 2 courses are listed without accompanying marks – the marks will be added once midterm marks and final marks are entered.

Community Involvement Hours (Comm. Hrs)

- Community Involvement hours that have been submitted are indicated at the top right of the CCS.
- Students are asked to submit 40 hours – additional hours should be retained for future reference.

Literacy Requirement

- Beside “Lit. Test Stat/Req.” it will state either “Successfully Completed in English” or “Not Completed.” For graduation, you must successfully complete the literacy requirement.

Credit Totals (at the bottom of the chart)

- The **Req** row indicates the compulsory credits that are needed to fulfill graduation requirements. For descriptions of Groups 1, 2 & 3, please see below and/or refer to our *High School Course Planner* handouts (English or French Immersion) on the guidance web page.
- The **Earn** row records the compulsory credits that you have earned in previous years. It does not include courses you are currently taking (semester 2), as these courses are still in progress and are not yet completed.

Current Year Courses and Achievement

- The 1M (Midterm), 1F (Final) and F (course gone to history/added to transcript) columns list your semester 1 marks
- If there is an “o” symbol on the far left by the course code it means that you have dropped the course, changed the course type, or changed sections.

Ontario Secondary School Diploma Requirements:

- ✓ Complete 40 hours of Community Involvement
- ✓ Successfully complete the Ontario Secondary School Literacy Test (OSSLT) or, in special circumstances, the Ontario Secondary School Literacy Course (OSSLC – OLC40)
- ✓ 30 credits total → 18 compulsory plus 12 optional credits

Compulsory Credits include:

- 1 credit from **Group 1**: a 5th credit in English, a 2nd credit in French*, or a course in Social Science/Humanities, or Canadian and World Studies, or Guidance and Career Education, or Cooperative Education.**
- 1 credit from **Group 2**: a 2nd credit in Health and Physical Education, or a 2nd credit in the “Arts”, or a course in Business Studies, or French*, or Cooperative Education.**
- 1 credit from **Group 3**: a 3rd credit in science, or a 2nd credit in French, or Computer Science or Technological Education, or Cooperative Education.**

* a maximum of 2 credits in Cooperative Education can count as compulsory credits

** a maximum of 2 credits in French can count as compulsory credits – one from Group 1, and one from Group 2 OR 3.

Notes:

- You will have an OSSD diploma date of (1999) as a default; you do not need to worry about this.
- Please check your marks for accuracy.
- If you're in French Immersion, you need ten French Immersion credits to earn the French Immersion Certificate (including an FIF course in each grade).
- SES (near the top left) – a checked box indicates you have a Special Services identification.
- 34 credits status - this is only a concern for Grade 12 students who wish to return to school next year
- SHSM – any Grade 11 or 12 student enrolled in a SHSM program will have a second page to their CCS to track their completion of SHSM requirements.
