

Attention: An Important Announcement

Take a walk down memory lane as George Street PS and Upper Canada Daycare prepares to close their doors in June of 2015.

It's a celebration of what was, what is and what will be.

We are looking for artifacts, pictures, stories, and memorabilia about George Street past and present. If you have anything to share or contribute to our walk down memory lane you can bring it into the office at George Street with your name on it and we will return it to you when the celebration is over.
