Tarmac at dismissal: As you know, the tarmac is a busy place during the school day. Many classes take advantage of the nice weather, and use it for their Daily Physical Activity (DPA) time during the last period of the school day. Please remember that, from 9:10-3:40, the tarmac is used for the instructional school day and, at any time, there could be a number of classes using it for their physical learning. For safety reasons, if you come early to pick up your child, we are asking that you keep your distance from classes using the tarmac. Thank you in advance for your cooperation.

Entry procedure change: Beginning May 1st, we are going to be trialling a change to the morning entry routine.

Kindergarten: Staff will be on duty beginning at 8:55. Students will be supervised playing outside in the Kindergarten yard until 9:05. A bell will ring at 9:05 to signify that it is time to begin gradual entry until 9:10, when the school day begins.

Grades 1-5: Staff will be on duty beginning at 8:55. Students will be supervised playing outside on the tarmac until 9:05. A bell will ring at 9:05 to signify that it is time to begin gradual entry. Students whose classroom is on the downstairs floor will enter through Door B, and students whose classroom is on the upstairs floor will enter through Door C. The school day begins at 9:10.

Grades 6-8: No change. Students will begin gradual entry at 8:55 and go upstairs to get ready for the day. The school day begins at 9:10.

Among Friends summer camp: The Child Care is still accepting summer camp enrollment until April 28th. Applications can be picked up at the Child Care or School Office. Registration for the next school year is also available. Forms are available at Amongfriendschildcare.com

Grade 8 Composites: Grade 8 Composites are on sale now! Our 2022-2023 Graduating Class Composites are now available for purchase. The 13 x 9 Graduating Class Composite comes in a customized folder. The perfect keepsake for your graduate! Please login to [School Cash Online](http://SchoolCashOnline) to make your purchase.

Bikes/scooters: If your child brings a bike or a scooter to school, they must walk them on school property. Students riding scooters or bikes on school property causes a safety hazard to the other students, community members, staff and the student themselves. Thank you in advance for your cooperation with this.

Dates to Remember:

April

21 - Eid-ul-Fitr

21 - Ridvan

24 - Area Basketball
Tournament @ BRPS

27 - Touchstone
Assembly - 2:15 PM

28 - Area Basketball
Tournament @ BRPS

April Touchstone Focus

Words Matter:

Working hard to repair
the planet, we care
about the earth and the
environment.

What BRPS has learned about Autism:

Positive and negative space in Grade 2:

Spring has sprung in Kindergarten:
