Barbara Reid PS Fun Fair: We are pleased to announce that the Barbara Reid PS Fun Fair (previously scheduled for today) has been rescheduled for **Friday, June 23rd**. Thank you for your patience and understanding for this unprecedented turn of events. A very special thank you to the parents on the Fun Fair Committee for their tireless work to organize (and re-organize) this highly anticipated event. Previously purchased tickets and wristbands will be honoured for the new date. If you would like to buy tickets, we will be taking cash only at the event.

Area Track and Field: The North C/D Area Track and Field competition has been rescheduled for **Thursday, June 15th, 2023** (Alternate date: Friday, June 16th).

Due to scheduling conflicts with the Town of Stouffville, we had to combine both junior and intermediate days into one single day event. An updated permission form was sent out earlier today for those students who are attending.

At this time, we do not have our transportation confirmed. Our wonderful Administrative Assistants are working hard to contact bus companies but because this is an extremely busy time of year and with this being a rescheduled event, there is a chance that we will not be able to secure transportation. When completing the form, please indicate your child's transportation needs IN CASE we secure transportation. Please note that there is also a chance that we will need families to drive their children to the event. We will inform you about transportation by Tuesday, June 13th.

The Google Form to update your child's permission form is due on Monday, June 12th at 4pm.

Thank you all again for your patience, flexibility and understanding.

Talent Show: Due to the rescheduling of Area Track and Field, we have had to reschedule our Talent Show. The new date is **Wednesday, June 28th**.

EQAO: Students in Grade 6 will write the EQAO assessment on Monday, June 12 and Tuesday, June 13. It would be greatly appreciated if students in Grade 6 could avoid absences wherever possible on those days.

Racial Literacy workshop (repeat information): On Monday June 19, 2023, from 7:00 p.m. - 8:30 p.m., parents/guardians and students are invited to attend a virtual workshop with Dr. Howard C. Stevenson, author of Promoting Racial Literacy in Schools: Differences That Make a Difference. Join the conversation on how to help children learn healthier ways to resolve racial stress.
