Third Place Team

Back row: L-R: Staff Supervisor: J. Anandarajan, Tom Yang, Kelvin Yu, Philip Huang, Jim Gao

Bayview's programming team places first in the York Region Programming Competition amongst thirty high school teams. The contest was organized by Computer Science teachers of the York Region District School Board, under the auspices of ECOO (Educational Computing Organization of Ontario) on Monday March 30, 2015.

Bayview Secondary School's, programming teams participated in this gruelling 3 hour competition, where programmers implemented coding solutions to very challenging problems. At the end of intense problem-solving, algorithm design and programming, Bayview's Team 1, triumphed becoming the Champions of the competition. The members of the winning team were: Colin Li, Haozheng Li, David Wang and Frank Hong. Bayview's Team 2 comprising

of Kelvin Yu, Tom Yang, Jim Gao and Philip Huang also faired exceptionally to place 3rd. The all girls' team of Induja Chandrakumar, Lucy Liu, Rae Tang and Jessica Chen also did very well. The teams that ranked 1st and 3rd are progressing to the regional competition. Congratulations teams!

Coaches: Mr. Anandarajan and Mr. Mangat
