

# MESSAGE FROM THE DEPARTMENT

Bayview Secondary School  
Arts Café and Exhibition Night: Visual Art Department - 2014

Today, we celebrate the 13th annual Arts Café. Events such as these provide a wonderful opportunity to come together to share, learn and celebrate the Arts and the pivotal role they play in supporting our students' achievement. We also know how important a role the Arts plays in the personal lives of our students and staff. This Arts Café night follows a long tradition of celebrating the arts at Bayview Secondary School. This year the numerous arts departments have been busy presenting the culminating work of music, drama and visual art students at numerous venues around the community and abroad.

Tonight's exhibition brings together the work of our students from our classes, submissions from the student population as well as our graduating art, design and photography students. This year's exhibition is not found only in the gym as has been the tradition but we have also included the art wing 'Campbell art studios', the Visual Art Gallery and the halls in the whole south wing of the first floor of the school.

The works featured in this exhibition exemplify the diverse trends, ideas and artistic currents prevailing today in the arts as well as those produced as part of our program. Many of our graduating students have already received their letters of acceptance to some of the most prestigious post secondary art schools around the country.

The Arts have a strong connection to the positive self-esteem and the sense of accomplishment in our students and staff, which is a key component of well-being. Other benefits include increased student engagement, personalized learning, collaboration, deeper learning, creativity and critical decision making skills". I hope you enjoy tonight and share in the pride and creativity our students share with us every day.

Mr. C. Tryphonopoulos  
Head of Visual Art
