### Message from the Coordinators

Dear IB Parents/Guardians,

The IB Newsletter is intended to share information about Bayview's IB Programme with parents and guardians. We look forward to celebrating our students' accomplishments and providing an overview of upcoming assessments, opportunities, and dates. We hope you will find this to be informative and we welcome your questions and feedback.

We have had an exciting year! Students have tackled challenging coursework, completed their Group 4 Project, participated in several enrichment opportunities including trips to the Aga Khan Museum, the Alpha Group, and the opera! They have undertaken various CAS activities including but not limited to, climbing the CN Tower for the United Way, Skiing at Horseshoe Valley and painting at our Paint Lounge event.

We are pleased to have facilitated the 5<sup>th</sup> annual IB Student Conference at Green Acres Day Camp and are very proud to have hosted our first IB Alumni Conference which saw the return of 120 IB Graduates to mentor our current IB students.

Our students and Programme are thriving. Thank you to our administrators, teachers, support staff, parents and students for their ongoing and tireless efforts.

We wish you all a very safe and happy summer.

Kind Regards,  
Lara Joffe and Roger Israel
