FROM THE OFFICE

Thank you to all parents and guardians who attended our fall **Meet the Teacher** evening. We very much value the role parents and guardians play in supporting student achievement at home. Continue to speak to your child about what they are learning at school and reach out to their teachers and/or the school administration if you have questions. We strive to prepare students to think critically about the world and continue to develop a sense of responsibility for their learning.

Teachers meeting with parents during our Meet the Teacher evening. Thank you to our wonderful Prefects and student secretaries for helping parents find teacher locations and manage meeting times.

After School Literacy and Numeracy Program

The first after school literacy session started on Oct. 27. These sessions are for some students who will be writing the OSSLT between Nov 15 and Dec. 8.

The after school numeracy program will be starting for grade 9 and 10 students next week. An email will be sent home this week to parents if the after school sessions are recommended for your child.

Fall Athletics

A huge congratulations goes out to Noah B., who won the YRAA junior boys tennis championship. We are very proud of your efforts Noah (left). The hardware he took home is seen here on the right!

Our BSS Bengals sports teams are going full tilt this fall. Girls field hockey, boys soccer, volleyball, girls basketball, boys golf. It is wonderful to see parents out at our games supporting the players. If you are able, please come on out and cheer your child on. They will appreciate it and so will we.

Support our extra-curricular activities.

Many many clubs are running this year at BSS. Too many to mention. Here, two students decide to relax with a friendly game of chess. Parents, please consider supporting our clubs by making a voluntary contribution to the student activity fee. Login into your child's account on <https://www.schoolcashionline.com/>
