Oct 19	Immunization Clinic at Bayview SS

From the Office

Did you know? WE have over 60 clubs and teams at Bayview SS!!

The School Engagement Fee is an important fee that is paid to help reduce student costs for events, activities. While payment is voluntary, all community members are encouraged to pay for the engagement fee as it supports student participation in extra-curricular activities such as membership on sports teams and clubs, attendance at assemblies featuring guest speakers, and participation in school competitions, dances, graduation and other spirit and special events.

The School Engagement Fee will help to reduce the cost of running extra-curricular activities as mentioned above and will help to support groups such as the Student Council with building and strengthening the sense of community at Bayview Secondary School.

Great Expectations Assemblies

Thank you to the many families who joined us for our Grade 9 Day welcome assembly. For some of you, this is your first child entering high school and you may have many questions. We appreciate the collaborative relationships we have with our parent community and are grateful for the support you give to our school. Together, we will endeavor to help your child create the life they envision.

Grade 9 Day Welcome Assembly

Vice-principals Mr. Hart and Ms. Sadacharan held the audience captivated by sharing great expectations with students.

Guidance Corner

The Guidance department at Bayview SS sends out a weekly email with lots of valuable information regarding University and College Fairs, applications, scholarship information. Please take time to review the material from our guidance team.

School News

Ms. Forbes's class explores building materials and structural supports needed to make a free-standing tower of marshmallows and spaghetti. The students worked in teams, one team very quickly realized that a triangular base was the easiest to work with. Another team realized that you could simply put the spaghetti as a 'pole' and that would make the structure even taller. It was a fine team building event. ... and some students may have eaten a few marshmallows at the end!

Student photo ID cards will be delivered to homeroom classes later this week.

Students who attended the **NOW** (Newcomer Orientation Week) program organized by our settlement workers Ms. Sorouri and Ms. Liu. Supported by our Head of Guidance, Ms. Garito and our wonderful student leaders.

Athletics

Many fall sports teams are having their tryouts and selections happening in the coming weeks. If your son or daughter is interested in playing a fall sport, please remind them to pay attention to the morning announcements. Alternatively, they are invited to speak to either Mr. Swailes or Mr. Catapano in the HPE office. Go Bengals!

Tech Corner

Need to get your son or daughter a laptop and not sure what type of device will meet their educational needs. Our Lead Field Technology Analyst has provided this handy guide for parents <https://tinyurl.com/BSSLaptop>

YRDSB News

Dear parents/guardians,

At the start of each school year, schools share with families a package of information about the school. Families will also receive a copy of the [Guide to the School Year](#) booklet in the coming weeks. We also ask families to complete some important forms. These forms are now available online.

[Please complete and submit these online School Start-Up Forms](#) through your child's YRDSB Google account.

You can access your child's YRDSB Google account via a web browser. For best results, use a computer rather than a mobile phone.

The username is your child's YRDSB Student Number. Your child will receive their login information from the school at the start of the year. If you or your child do not know the password to log in to their Google account, please contact your child's teacher or the school office.

Frequently asked questions and additional information on [how to complete the forms](#) are available on the Board website under [Family Resources](#) (click on the "Need Help" link for Family Start-Up Forms).

It is important that these forms are completed as soon as possible at the start of the school year. There are both mandatory and optional forms. The forms are to be completed for all students, whether they are attending school in person or participating in remote, online learning. Your child's school will access the information.

Please complete a separate form for each child attending our schools. Secondary school students will also be asked to review important school and Board policies and to indicate that they have reviewed this information on forms sent to their student GAPPS account.

If you prefer to complete the forms on paper or have questions about the information in the forms, please contact your school office.
