## FROM THE OFFICE

**Families we need your help.** Far too many students are arriving to school late to their period 1 classes. We know there are many factors that may be impacting this however, we at the school have **no control** over when your child arrives at school. **Students need to be in their class by 8:45am. Get to school by 8:30am, please.**

**Parking lot issues.** If you are dropping off or picking up your child at Bayview SS, you must obey all direction arrows and One Way signs. There is **no parking in any Fire Route or in the middle of the parking lot** at the back. It creates a lot of congestion, is breaking the by-laws and is simply unsafe for students, staff and others.

Thank you to Ms. Alexander and our Bayview Athletic Council for raising funds for charity by organizing a staff vs student volleyball game. The staff held their own and won the first match while the students won the second! There may have been some GENEROUS calls by the referee for the staff team:)
