## EXAMINATION INFORMATION AND RULES FOR STUDENTS

JANUARY 25th to January 31st, 2024

**Students are only required to be at school to write examinations assigned by their semester one timetable.**

All examinations begin promptly at 9:00 a.m. The exam is dependent upon what period of the day you have the class scheduled on your timetable.

Certain courses such as Music will have individual student testing scheduled by the subject teacher during the examination days.

### GENERAL RULES GOVERNING EXAMINATIONS:

#### Attendance:

Students must write their exams with their regular class unless they have accommodations as per their IEP. (information regarding this will be communicated by the student's SERT)

Parents/Guardians must notify the school immediately (905) 884-4453 if a student will be missing an exam due to serious illness. A doctor's certificate must be submitted for the day of the exam to cover the absence. Failure to provide a suitable certificate will normally result in a mark of zero. The school may verify information on medical certificates and statements.

**Vacation time, employment and appointments must not be planned during the scheduled exam period. All exams must be written at the scheduled time and place.**

### Quote of the week:

**“I can accept failure. Everyone fails at something. But, I cannot accept not trying.”**

**Michael Jordan**

Fun and games for a good cause. Students had some fun dressing up for Halloween but, they also supported the Help for the Homeless fundraising initiative. Over 15 different clubs help raise funds for Help for the Homeless. Last year, we converted the funds raised into a sock pantry and purchased socks which were donated to a homeless shelter.
