FROM THE OFFICE

Interim Reports will be emailed to families between Oct 17-18. The Interim Report is a snapshot of your child's progress up to this point. More importantly, it is an opportunity for students and parent(s) to have conversations on what is being learned at school and if any follow up is needed with the teacher(s). There will be an opportunity for parents/guardians to meet with teachers on October 26, 2023 during Meet the Teacher Night. More information on how to schedule an appointment with your child's teacher was sent out earlier today in a separate email.
