FROM THE OFFICE

The YRDSB acknowledges that the safety of staff, students and building occupants is of prime importance and all necessary steps will be taken to protect their welfare in an emergency situation. An emergency is defined as a situation in which the normal operations of the school or work location cannot continue and/or where student, staff safety and building occupants is brought into question. In keeping with school board and Ministry policies, every school will maintain and update as necessary an emergency management plan. Each plan must address Lockdown, Hold and Secure, Bomb Threat requirements and contain a copy of the school's approved Fire Safety Plan. All staff and students must take part in emergency drills.

Our First **School Council Meeting** was on September 18 in the library. Our next meeting is Oct. 16 at 7:00pm in the library

The election of the executive members occurred and they are:
Co-Chairs: Linda Zhang and Shalini Sethi
Treasurer: Maggie Ye
Secretary: Lili Zhang

Athletics

Many fall sports teams are having their tryouts and selections happening in the coming weeks. If your son or daughter is interested in playing a fall sport, please remind them to pay attention to the morning announcements. Alternatively, they are invited to speak to either Mr. Swailes or Mr. Catapano in the HPE office. Go Bengals!

Ms. Hassell and Mr. Groth put the students through drills during the volleyball tryouts this week. Good luck to all participants.

Student Lockers

All Grade 9 and 10 students will be receiving new locker information next week. Grade 11 and 12 students will receive a google link to request a locker if required. The information about the locker assignment process will be sent to student gapps accounts next week.
