A MESSAGE FROM THE OFFICE

As the academic year progresses and the weather becomes more conducive to outdoor activities during lunch breaks, I want to underscore the critical importance of consistent attendance and punctuality for all scheduled classes. These fundamental habits are directly linked to your child's academic success and overall achievement in our secondary school.

We firmly believe that regular presence in the classroom and timely arrival for each lesson provide students with the optimal environment for learning, engagement, and the seamless acquisition of knowledge. Your partnership in reinforcing these expectations at home is invaluable in fostering a culture of responsibility and academic commitment within our student body.

Thank you for your continued support in ensuring a productive and successful learning experience for all our students.
