## SCHOOL NEWS

On Tuesday, October 22, 2024, a group of Bayview students had the opportunity to join over 3,000 female students at Enercare Centre for Dreamer Day 2024. Touted as the ultimate empowerment party for female-identifying students to explore careers in the Skilled Trades, STEAM, Emergency Response, Leadership & Entrepreneurship. Our Bayview students participated in inspiring keynotes and panel discussions, as well as interacting with hands-on activities at exhibitors booths. Dreamer Day 2024 showcased the vast array of career paths often thought to be predominantly male only. Our students learned firsthand speaking directly to women that are actively working in the fields and hearing about their journey of breaking down the barriers they had to face. Truly a celebration, the closing ceremony glow stick dance party was exhilarating and left our students knowing that they have options and are excited for their future without limits.

## Visual Arts

After learning about *Street Art* and *Public Art*, the students in the Grade 11 Drawing Class (AWL-301) each created a “graffiti-inspired” artwork for the windows around the courtyard. In each pane of glass, the students have represented a word that they believe is meaningful to the Bayview Community.

This temporary art installation is a favourite project amongst our Art students!
