## How do offers of admission work for Ontario Colleges and Universities?

Students can apply NOW to both Ontario colleges and universities. Offers of admission vary depending on the competitiveness of the program and will continue on a rolling basis. Every time marks are submitted, post-secondary institutions review your application. They don't look at your application only once. Ontario has rolling acceptances.

Students applying to college, it is **IMPORTANT** to apply now especially with competitive programs where spots may fill up by February 1. Students applying to both colleges and universities, it is important to make an account with the schools and to constantly check your personal emails for information from the post-secondary institutions.

**Transcripts \*\*printed ONCE per week (Fridays)\*\***

Transcripts are an official record of Ontario secondary school credit courses that you have completed. Transcripts do not show courses you are currently enrolled in. Transcripts should only be requested for post-secondary education institutions (outside of Ontario), Canadian citizenship and for scholarships. **If you need to request a transcript, please email your guidance counsellor.** Transcripts will be printed only once per week, every Friday. Please plan your requests accordingly as we will not be printing them on various days.
