## US University Admissions Seminar

The Princeton Review is hosting a US admissions seminar. Please see [link](#) for details.

## How do offers of admission work for Ontario Colleges and Universities?

Students can apply NOW to both Ontario colleges and universities. Offers of admission vary depending on the competitiveness of the program and will continue on a rolling basis. Every time marks are submitted, post-secondary institutions review your application. They don't look at your application only once. Ontario has rolling acceptances. The last day to apply for EQUAL CONSIDERATION is January 13.

Students applying to college, it is IMPORTANT to apply now especially with competitive programs where spots may fill up by February 1. Students applying to both colleges and universities, it is important to make an account with the schools and to constantly check your personal emails for information from the post-secondary institutions. The last day to apply for EQUAL CONSIDERATION is February 1.
