International Languages Program – Secondary Credit Program 2017-2018

Why Study International Languages at High School?

Language is our connection with our community and the world. Through language we identify the world around us, express our concerns and hopes, and share our experiences and ideas.

So what are you waiting for?! Now is the time to take advantage of this opportunity and [register](#) for a YRDSB International Language CREDIT course of your choice! We offer CREDIT courses in 15 languages at 4 high schools.

Community Ambassadors

Having trouble finding community resources? Need translation to your language? Wonder how to volunteer at school? Need help in communicating with your child's teacher or other community agencies? Please see [link](#) for more information and contacts.

Board Policies and Procedures

Policies and procedures govern the operation of the Board and our school. To ensure they remain current, the Board reviews policies and procedures on a regular cycle. Seeking feedback from staff and community members, including parents/guardians, is an important part of the review process.

All policies available for comment are sent to school council chairs, and are posted on the [Board website](#) along with information about how to provide feedback. The policies and proposals currently available for comment include:

- The following policies with investigative components:
 - Professional Misconduct and Progressive Discipline
 - Respectful Workplaces and Learning Environments
 - Supporting Community Concerns
- A proposal for next steps on the process for addressing concerns raised by students, staff and community members.
