Important Information for Students Turning 18

Under the Education Act, parents/guardians have a right to access their child’s Ontario Student Record if the child is under 18.

If the student is 18 or over, the Board/school must follow the privacy provisions of the Municipal Freedom of Information and Protection of Privacy Act regarding the disclosure of personal information about the student to their parents/guardians.

Students 18 or over must provide written permission by signing the [Consent for Information Sharing](#) form to allow parents/guardians to continue to access school-related information about the student. This includes academic progress, attendance and behaviour.
