Board Policies and Procedures

Policies and procedures govern the operation of the Board and our school. To ensure they remain current, the Board reviews policies and procedures on a regular cycle. Seeking feedback from staff and community members, including parents/guardians, is an important part of the review process.

All policies available for comment are sent to school council chairs, and are posted on the [Board website](#) along with information about how to provide feedback. The policies and proposals currently available for comment include:

- The following policies with investigative components:
 - Professional Misconduct and Progressive Discipline
 - Respectful Workplaces and Learning Environments
 - Supporting Community Concerns
- A proposal for next steps on the process for addressing concerns raised by students, staff and community members.

Dear Parents

STUDENT SAFETY – ATTENTION NEEDED

Parents should not be using the front driveway for pick up and drop off. In addition, parents must not drive behind the school to drop students in the North and East parking lots. Drop off and pick up should only occur at the SOUTH end of the school – near Cassata Drive.

Please speak with your children to remind them of traffic safety and being aware of their surroundings.

Thank you for your attention to this.
Brian Schouten

Drop Off and Pick Up

The front driveway (West side of school near Bayview Avenue) is not to be used to drop off or pick up students. Our students cross this driveway to access YRT and the sidewalk. This is also the location for school bus pick up and drop off. Other vehicles make the area unsafe.

No drop or pick up from 8:00 a.m. – 9:00 a.m. and 3:20 p.m. – 4 p.m.

From 3:20 until the last bus leaves, traffic will be one way southbound only.

Please use the south driveway / parking lot for drop off and pick up.

School start time is 8:45

Students are expected to be in their first period class ready to learn at 8:45 when the bell goes. Recently, there have been more students arriving late for class. As the cold and snowy weather approaches it will take longer to travel to school. Please adjust your departure times so students are here for the first bell and do not miss any of the lesson or interrupt the learning of others.
